For all Proposed JOC Projects, Please complete items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Decorative Bench Installations

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   This project is a time sensitive installation on a small scale. Work has been requested by the Alderman using 2007 menu funds.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city’s best interest to do the project under JOC:
   This project involves the use of multiple trades for purchase and installing.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   N/A

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
   The use of the JOC process would assist in the management and implementation of this time sensitive project. By utilizing the JOC process, efficient timing of the work between various city departments can be maintained for completion during the fall of the construction year 2007. No term agreement contracts currently exist that can perform purchase and installing.
