Attachment A
Utilizing JOC For City Construction Projects
1869 Building
1869 W. Pershing
Project No: OVC-07-004.A

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

   Install epoxy flooring in 1st Fl restrooms, 2nd Fl elevator lobby and clean and seal concrete floors on the 2nd Fl. This the 1st phase of flooring, since the tile has been replaced by epoxy by the architect there will be a "B" package for the 3rd fl work.

   Install epoxy flooring per drawing 8-16-07

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

   These areas were originally designed for 12 X 12 tile and after review it was discovered that being heavy traffic areas / restrooms that epoxy would be a better, long lasting solution.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

   Multitrade - Carpenters, Laborers and Terrazo Finishers

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

   All items contained in the CTC

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.

   No

Project No: OVC-07-003.A

For all Proposed JOC Projects, Please complete items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Perform minor tuckpointing, as well as, extensive tuckpointing repairs to prevent further water damage to the building's envelope.
   Grind & spot tuck point South Shore Library, Lozano Library, North Austin Library & the satellite clerk's office. This work is required to prevent identified water infiltration.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   JOC is being utilized to perform this work prior to the change of seasons. Each of the facilities being addressed has experienced water infiltration though the masonry brick and grout. Funding for this work has recently been made available & this work should be performed prior to the winter season to prevent further water & ice damage to the building.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.
   This is a single trade project which cannot be performed by the trades due to insufficient staffing.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.
   No

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
   There are no term agreements in place to perform this repair work.
