Disclosure of Retained Parties

A. Definitions and Disclosure Requirements
1. As used herein, the term "Contractor" means a person or entity who has any contract lease with the City of Chicago.
2. Pursuant to Executive Order 07-1, every contract and lease must be accompanied by a disclosure statement.
3. Providing certain information and attorneys, lobbyists, accountants, consultants, subcontractors, and other persons
   Whom the contractor has retained or expects to retain with respect to the contract or lease. In particular, the contractor
   must disclose the name of each such person, his or her business address, the nature of the relationship, and the
   amount of fees paid or estimated to be paid.
4. "Lobbyist" means any person (a) who for compensation or on behalf of any person other than himself undertakes to
   influence any legislative or administrative action, or (b) any part or whose duties as an employee of another
   includes undertaking to influence any legislative or administrative action.

B. Certification
Contractor hereby certifies as follows:
1. This Disclosure relates to the following transaction:
   Project name: 07-84-7-061 N. LaSalle Trolley Car Tunnel
   Specification, loan or other identifying number: 16036
2. Name of Contractor: FHP Tectonics, Corp.
3. EACH AND EVERY attorney, lobbyist, accountant, consultant, subcontractor, or other person retained or anticipated
   to be retained by the Contractor with respect to or in connection with the contract or lease is listed below
   (attach additional pages if necessary):

CHECK HERE IF NO SUCH PERSONS HAVE BEEN RETAINED OR ARE ANTICIPATED TO BE RETAINED ____________________________

4. The Contractor understands and agrees that the city may rely on the information provided herein and that providing
   any false information or inaccurate information shall constitute a default under the contract and may result in
   termination of the contract or lease.

5. The Contractor understands and agrees that in any case in which the Contractor is uncertain whether a disclosure is required under the Executive order, the Contractor must either ask the city whether disclosure is required or make the disclosure.

Under the Penalties of perjury, I certify that I am authorized to execute this Disclosure on behalf of the Contractor that the information disclosed herein is true and complete, and that no relevant information has been withheld.

Re: JOC Project Number: 07-84-7-061
Project Title: Reconstruction of LaSalle Street Trolley Tunnel North Portal Opening
Estimated Cost: $1,250,000.00
Specification Number: FH Paschen - 34585 (15038)
Funding Source: GOB - 2007 Funds

Dear Ms. Lumpkin:

We request that the above referenced project be contracted under the Job Order Contracting (JOC) Method. Attachment A describes the scope of work and the appropriateness for using JOC for this project.

If you concur with our recommendation, please sign below and return a copy for our files.

Sincerely,

Cheri Heramb  
acting Commissioner

JPB
For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4, and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Reconstruct a reinforced concrete roadway/deck over the north portal opening of the LaSalle Street Trolley Tunnel at Kinzie Street.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   The north portal support system cannot adequately support the roadway or loads located above the structural supports. Then structural members are degraded to a point that warrants immediate action. The members need to be replaced in lieu of being repaired. They are exhibiting advanced degree of corrosion, including loss of section, deterioration, and/or spalling. In-House forces cannot perform this work because of the equipment and material required to remove and replace the concrete decking and structural supports are specialty items. There is no existing Term Agreement covering this item of work and it is not time and cost effective to perform this work through the traditional bid process.

   While inspecting the Tunnel system in early 2007, it was apparent the conditions in the LaSalle Street Trolley portion of the tunnel had deteriorated rapidly. The steel webbing off the structural members had fallen out completely. Once the steel webbing has fallen out or delaminated, the integrity of the support system is seriously compromised. Therefore, the structural members need to be replaced immediately. Upon noticing the severity of the situation, CDOT initiated the process for developing a set detailed drawings. As of 05/23/2007, the drawings are nearly complete and will be finalized shortly. Once the drawings are complete, CDOT would like to start construction as soon as possible. Therefore, we are requesting to use the JOC procurement system in lieu of traditional bidding.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:
   Not Applicable - Various Trades

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   N.A.

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
   N.A.
