2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

This is the second phase of a two phase project to improve public access to comply with ADA Accessability Standards
3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

This project requires the use of multiple trades, carpenters, electricians, plumbers HVAC technicians.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

No NPP items will be used in this project.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.

None of the work included in this project is covered under existing city term agreements.
