Reason why the MOA differs from the Sub Order

Project No: 08-84-11-014
Halsted St. Tree Grate Replacements

1. The Sub Order amount differs from the MOA estimate for the following reasons:
   Additional concrete replacement was needed to adjust the existing tree grate frames. This was found during a final scope/site visit with the contractor.

Attachment A
Utilizing JOC For City Construction Projects

Project Number: 08-84-11-014      Department: Transportation
Project Manager: Jerry Kalwasinski    Telephone #: (312) 744-5887

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Purchase and install tree grates only. Tree Grates to be installed on South Halsted Street between 16th Street and 19th Street

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   This work is a time sensitive installation on a small scale. Alderman request this installation ASAP.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:
   This project involves multiple trades.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   NA

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
   The use of the JOC process will assist in the general management and implementation of the project. At this time there are no term agreements that will allow installing missing tree grates that have existing tree grate frames.
