Attachment A
Utilizing JOC For City Construction Projects
Fleet Management Fueling Station #1
1685 North Throop Street
Project No: WIC-07-008 A

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Install E-85 fuel dispensing system at the North & Throop fueling site.
   Furnish and install an E-85 fuel system at the North & Throop fueling site as identified in the Department of Fleet Management overview and work scope dated November 30, 2006 and attached to this Job Order.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   The JOC procurement method allows us to quickly and efficiently bring this cost saving and environmentally friendly fuel dispensing system in operation.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.
   Multiple trades.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.
   N/A

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
