This purchase is subject to the City of Chicago General Conditions for Supplies, Work, or Professional Consulting Services; Special Conditions, Disclosure Ownership, Acceptance Page, as applicable, which are attached hereto or incorporated herein by reference.
Sub-Order Total:  14,610.58

Disclosure of Retained Parties

A. Definitions and Disclosure Requirements
1. As used herein, the term "Contractor" means a person or entity who has any contract lease with the City of Chicago.
2. Pursuant to Executive Order 97-1 every city contract and lease must be accompanied by a disclosure statement.
   Providing certain information and attorneys, lobbyists, accountants, consultants, subcontractors, and other persons
   Whom the contractor has retained or expects to retain with respect to the contract or lease. In particular, the contractor
   must disclose the name of each such person, his or her business address, the nature of the relationship, the amount of fees paid or estimated to be paid.
3. The Contractor is not required to disclose employees who are paid solely through the Contractor's regular payroll.
4. "Lobbyist" means any person (a) who for compensation or on behalf of any person other than himself undertakes to influence any legislative or administrative action, or (b) any part or whose duties as an employee of another includes undertaking to influence any legislative or administrative action.

B. Certification
Contractor hereby certifies as follows:

1. This Disclosure relates to the following transaction:
   Project name: WIC-07-007A
   CASA Filter Changes
   Specification, loan or other identifying number: TBD

2. Name of Contractor: Wight/Industria Joint Venture

3. EACH AND EVERY attorney, lobbyist, accountant, consultant, subcontractor, or other person retained or anticipated
   to be retained by the Contractor with respect to or in connection with the contract or lease is listed below
   (attach additional pages if necessary):

<table>
<thead>
<tr>
<th>Name</th>
<th>BUSINESS ADDRESS</th>
<th>MBE WBE or Non</th>
<th>Relationship (attorney, lobbyist, subcontractor, etc.)</th>
<th>$ FEE (indicate whether paid or estimated)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Midwest Electrical Consultants</td>
<td>18055 Upland Drive, Tinley Park, IL, 60477</td>
<td>Non</td>
<td>Subcontractor</td>
<td>$11,985.00 Est.</td>
</tr>
</tbody>
</table>

CHECK HERE IF NO SUCH PERSONS HAVE BEEN RETAINED OR ARE ANTICIPATED TO BE RETAINED.

4. The Contractor understands and agrees that the city may rely on the information provided herein and that providing
   any false or inaccurate information shall constitute default under the contract and may result in
   termination of the contract or lease.
5. The Contractor understands and agrees that in any case in which the Contractor is uncertain whether a disclosure is required under the Executive order, the Contractor must either
   ask the city whether disclosure is required or make the disclosure.

Under the penalties of perjury, I certify that I am authorized to execute this Disclosure on behalf of the Contractor that the information disclosed herein is true and complete, and that no
relevant information has been withheld.

Re: JOC Project Number: WIC-07-007.A / K-7-092
Project Title: Replacement of Fire Station CASA filters
Address: 4911 W. Belmont Ave. & additional stations
Estimated Cost: 13,000.00
Specification Number: 51701
Funding Source: 06-OC11-59-2005-1207-220000-11104341

Dear Mr. Yerkes:

We request that the above referenced project be contracted under the Job Order Contracting (JOC) Method. Attachment A describes the scope of work and the appropriateness for using JOC for this project.

Please direct all technical inquiries to Project Manager Dick Smith at (312) 744-3843 and all other inquiries to Staci-Rae Bixler at 744-1636.

If you concur with our recommendation, please sign below and return a copy for our files.

Sincerely,

Michi E. Peña
Commissioner

Attachment A

Utilizing JOC For City Construction Projects
Engine Company 007
4911 W. Belmont Ave.

Project No: WIC-07-007.A

For all Proposed JOC Projects, Please complete items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Install new pre-filters for CASA air cleaning systems in 9 fire stations.
   Thru the year 2008 make site visits every 4 months to each of the following Fire Stations with CASA air filtration units:
   
   Fire Station 7       4911 W. Belmont
   Fire Station 44      412 N. Kedzie
   Fire Station 88      3918 N. Harlem
   Fire Station 89      3945 W. Peterson
   Fire Station 92      3112 W. 111th St.
   Fire Station 98      202 E. Chicago Ave.
   Fire Station 116     5955 S. Ashland
   Fire Station 119     6030 N. Avondale
   Fire Station 28      2534 S. Throop

   We have no way of purchasing the new filter system. This is a proprietary system with a lifetime warranty with preventative maintenance to be done by Resnor. The warranty will be void if any other company other than Resnor performs the preventative maintenance. The filter system includes a 1 year warranty from the company doing the install. The filtration system is part of the Permavent filtration system and has a very specialized filtration system. Resnor comes out 3 times a year to do the preventative maintenance. The one issue with having maintenance crews performing the work is that they do not do the required preventative maintenance that is required by the manufacturer to keep the lifetime warranty valid. The trades are too short handed and do not keep proper records when the filters are changed nor would they do the extensive preventative maintenance which is required. This HEPA filtration system is a very elaborate system DGS feels it is our best interest to use the manufactures recommendation of using the same company doing the install also perform and record the necessary preventative maintenance

   Resnor will replace the pre-filters in each unit and provide cleaning and electrical/mechanical inspection of each unit as well as air volume testing to determine the condition of the HEPA and carbon/sorbent media filters. The testing of these systems are specialized and our in house crews do not have the proper training to service these units

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   This will be an ongoing project throughout 2008 and the JOC procurement method is most practical for this type of work. This is a proprietary system with a lifetime warranty with preventative maintenance to be done by Resnor.
3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

This HEPA filtration system is a very elaborate system DGS feels it is our best interest to use the manufactures recommendation of using the same company doing the install also perform and record the necessary preventative maintenance.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

None

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.

N/A
