   Due to the small size of the project and in the interest of time, CDOT must use the JOC procurement system.

   Multiple Trades; Concrete, Asphalt, Striping

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
