Attachment A
Utilizing JOC For City Construction Projects
Forestry - Northside Garage
5333 North Western Ave.
Project No: WIC-08-010..A

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. **Please describe the major features of this project.**
   Perform a thorough assessment of the damaged trusses, prepare a detailed condition report, plan & repair damaged roof truss - structural members.
   Perform a thorough assessment of the existing roof structure - necessary to determine the full scope of repairs. Repair all damaged and broken truss members on various wooden roof trusses at 5333 North Western - Northside Forestry Section.

2. **Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.**
   This work involves the immediate repair of multiple damaged structural support members for the roof system. It is imperative that this work is planned and coordinated to be completed once the repair permit is submitted & approved.

3. **If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.**
   This work requires multiple trades that perform specialized bow string roof truss repairs.

4. **If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.**
   None

5. **If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.**
   There are no term agreements in place to perform these repairs.
