For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   Remove all concrete @ roadway located over steam tunnel, install new rebar & concrete to included new curbs.
   Removeal all concrete @ service road area and make tunnel repairs as specified in the construction documents. This change order is required as a result of the unknown concrete thickness & detailed rebar plan necessary to add structural members in the roadway located over the steam tunnel.

2. Please explain why this project could not be bid using the city’s traditional bid process and the need to use JOC Procurement system.
   This work is being performed as part of an existing JOC Project - NPV Tunnel Repairs.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city’s best interest to do the project using DGS trades or existing term agreements.
   This work will require multiple trades.

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.
   No NPP items will be used.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
   This work is not covered under an existing Term Agreement.
