# Disclosure of Retained Parties

**City of Chicago**  
Department of Streets and Sanitation  
121 North LaSalle Street  
Chicago, IL 60602  

**Date:** June 16, 2010

## Information and Disclosure Requirements

The term "Contractor" means a person or entity who has any contract lease with the City of Chicago. Pursuant to Executive Order 87-1, every city contract and lease must be accompanied by a disclosure statement. Providing certain information and attorneys, lobbyists, accountants, consultants, subcontractors, or other persons whom the contractor has retained or expects to retain with respect to the contract or lease. In particular, the contractor must disclose the name of each such person, his or her business address, the nature of the relationship, and the amount of fees paid or estimated to be paid.

3. The Contractor is not required to disclose employees who are paid solely through the Contractor's regular payroll.

4. "Lobbyist" means any person (a) who for compensation or on behalf of any person other than himself undertakes to influence any legislative or administrative action, or (b) any part or whose duties as an employee of another includes undertaking to influence any legislative or administrative action.

## B. Certification

The Contractor hereby certifies as follows:

1. This Disclosure relates to the following transaction:
   - **Project name:** J07-804 A  
   - **57th and Lake Park Duct Bank Repair - W/O #21095003**
   - **Specification, loan or other identifying number:** 14256

2. **Name of Contractor:**  
   - City Lights/ZSL Electric, Inc. Joint Venture

3. EACH AND EVERY attorney, lobbyist, accountant, consultant, subcontractor, or other person retained or anticipated to be retained by the Contractor with respect to or in connection with the contract or lease is listed below (attach additional pages if necessary):

**CHECK HERE IF NO SUCH PERSONS HAVE BEEN RETAINED OR ARE ANTICIPATED TO BE RETAINED**

4. The Contractor Understands and agrees that the city may rely on the information provided herein and that providing any false, incomplete or inaccurate information shall constitute default under the contract and may result in termination of the contract or lease.

5. The Contractor understands and agrees that in any case in which the Contractor is uncertain whether a disclosure is required under the Executive order, the Contractor must either ask the city whether disclosure is required or make the disclosure.

Under the Penalties of perjury, I certify that I am authorized to execute this Disclosure on behalf of the Contractor that the information disclosed herein is true and complete, and that no relevant information has been withheld.

From: Frank Lindbloom, Deputy Director
   The Office of Emergency Management and Communications

Re: Continuity of JOC Projects
   City Lights, Ltd./ZSL Electric
   PO 14256

Date: August 13, 2010

The Office of Emergency Management and Communications (OEMC) currently uses the Bureau of Electricity’s (BOE) Job Order Contract (JOC) with City Lights, Ltd./ZSL Electric, PO 14256.

OEMC’s Internal Secure Communications Network (ISCN), uses the JOC system to support the continuity of the following public safety programs:

- Joint OEMC/CPD Camera Surveillance
- Fire Alarm Box Installation and Connectivity (CFD fire houses, schools, other critical facilities)

There have been some delays in project implementation due to various factors, including staff changeover and different program processes by OEMC and DPS. This caused delays from the time the project was executed to the time the project was signed off.

However, under the leadership of Frank Kelly and the ISCN team, OEMC’s use of this contract is running smoothly with no delays.

We respectfully request DPS approve the necessary paperwork, per Carolyn Johnson, to continue the seamless project process.

If you need further information, please contact Frank Kelly at 746.4414.

Thank you for your attention to this matter.

Cc: Christine Kane, OEMC
   Frank Kelly, OEMC
   Rosemary McDonnell, OEMC
MEMORANDUM

To: Jamie L. Rhee, Chief Procurement Officer
   Department of Procurement Services

From: Jose A. Santiago
      Acting Executive Director
      Office of Emergency Management and Communications

Re: Blanket Memorandum of Authorization
    PO 14256
    City Lights, Ltd/ZSL Electric

Date: April 2, 2010

The Office of Emergency Management (OEMC) has been approved to use PO 14256: City Lights/Ltd/ZSL Electric under the Bureau of Electricity’s (BOE) JOC contract. OEMC was approved to use BOE's JOC contract for the following:

- Joint OEMC/CPD Camera Surveillance program
- Fire Alarm Box Installation and Connectivity Program

All of the work for these projects is similar in scope and cost that BOE has under their JOC requirements.

OEMC is submitting a Memorandum of Authorization (MOA) for all new construction work done under this contract. It would be redundant and unnecessary to submit an individual MOA for each project.

We request that this MOA, with the following Attachment A, be sufficient for all emergency work done utilizing the BOE JOC contract. We propose that for each project, this MOA will be included in the Sub Order Release Package to DPS.

Please see Attachment A for additional details regarding the program.

If you concur with our recommendation, please sign below and return. Thank you.

APPROVED: Jamie Rhee
Chief Procurement Officer

Date 4/2/10
Office of Emergency Management and Communications
Attachment A

Utilizing JOC For City Construction Projects

Project Number:  
Project Manager: Frank Kelly  
Department: OEMC  
Telephone #: (312) 746-4414

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   The scope of this project is to complete non-emergency installation and repair of OEMC infrastructure citywide. OEMC infrastructure consists: installing and repairing conduit, installing and repairing various size duct packages, installing and repairing manholes, installing and repairing foundations.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.
   By using the JOC process, the time required is much less than the traditional bid process. The reason OEMC needs the JOC Procurement system is because we do not have personnel or proper equipment to complete this type of underground work.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:
   This is a one trade project but OEMC does not have the manpower to complete this task along with all other tasks

4. If it is anticipated that over 25% of the project will consist of Non-prepriced Items, please provide an explanation on why JOC should be used.
   This project will be priced fully by the JOC contractor

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
   No elements are covered under city term agreement
