UTILIZING JOC FOR CITY CONSTRUCTION PROJECTS

For all proposed projects please complete items 1 and 2 below. As appropriate, complete items 3 through 5. NOTE; The following documents must be attached to the MOA:
1.) A cost estimate 2.) This Attachment A.

1. Please describe the major feature of this project.

This project calls for the installation of new conventional street lighting system on 79th Street between Wood St. and Western Ave. New black davit poles, roadway luminaires, and pedestrian luminaires will be installed under this project.

2. Please explain why this project could not be bid using the city's traditional process and the need to use the JOC procurement system.

The Division of Electrical Operation does not currently have the means to acquire the required material to complete this project. New shorter poles and new white light luminaires are proposed for installation under this project. Alderman Lane (18th Ward) requested project completion by end of 2010. The Division of Electrical Operation does not have available crews to meet the aforementioned deadline.

3. If this project is one trade project please provide additional explanation of why it would be in the City's best interest to do the project under JOC.

Multiple trades involved.

4. If the proposed project is less than \$200,000 the amount of non pre-priced work must be less than 25%. If the proposed project is valued at \$200,000 or more the amount of non pre-priced work must not exceed 15%. Please explain if it is anticipated if these limits will be exceeded.

N/A.

5. If some elements of the proposed JOC project scope of work are covered by City term agreements, these elements should be removed from the JOC projects scope of work. If it is not desirable to do so, please explain.

MEMORANDUM

DATE: September 13, 2010

TO: Lou Langone
Director of Administration

FROM: Mohammed Rashed, P.E.
JOC Manager - Division of Electrical Operations

RE: **JOC PROJECT NUMBER JO7 - 110.A**

PROJECT TITLE: **NEW STREET LIGHTING: 79TH ST. BETWEEN
WOOD ST. AND WESTERN AV.**

EST. COST: \$575,000.00

SPEC NO: 14256

CONTRACTOR: CITY LIGHTS

FUNDING: TIF FUNDS

The Division of Electrical Operations recommends the above referenced project be contracted under Job Order Contracting (JOC) method.

The Division of Electrical Operation does not currently have the means to acquire the required material to complete this project. New shorter poles and new white light luminaires are proposed for installation under this project. Alderman Lane (18th Ward) requested project completion by end of 2010. The Division of Electrical Operation does not have available crews to meet the aforementioned deadline. It is recommended that this project be completed by the Division of Electrical Operation's JOC contractor, City Lights LTD, due to strict project timeline as described above.
