For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5. Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.
   The following repairs are in urgent need to insure the safety and integrity of Lake Shore Drive Ramp “H”, Northbound Exit to Illinois Street: 1). Heavy corrosion and section loss at the bearings on top of Pier 2. 2). Concrete spall on the face of Pier 2 with exposed anchor bolts, loss of bearing area, and missing retainer plates. 3). Major concrete spalling with exposed corroded reinforcement on the northeast section of pier 2. 4). Major concrete spalling with exposed corroded reinforcement on the southwest section of pier 2.

2. Please explain why this project could not be bid using the city’s traditional bid process and the need to use JOC Procurement system.
   These urgent repairs require specialized personnel and equipment could not be performed by City Forces and is not covered by an existing term agreements. It would not be time or cost effective for us to perform the work through the City’s traditional bid process.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city’s best interest to do the project under JOC:
   Not applicable - various trades will participate.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
   N.A.

5. If some elements of the proposed JOC project scope of work are covered by city term agreements, explain why they are included in this JOC project instead of being procured through the term agreements.
