Procurement Process

Establishing your firm with CTA

CTA's Purchasing Department maintains lists of vendors, contractors, and consultants according to the commodities and services they supply. You may become an approved vendor by following steps 1 through 6:

1. Visit the [CTA Business Diversity Management System](#).
2. In the **CTA iSupplier Portal – Registration** section, select the **CTA iSupplier Information** button.
3. Select the **New iSupplier Registration** link; complete the **Prospective Supplier Registration** information and submit for approval.
4. Once approved, an email will be sent with an initial logon password. The email address supplied becomes your user name.
5. Return to the **CTA iSupplier Portal – Registration** section, select the **CTA iSupplier Information** button.
6. Select the **Existing iSupplier Registration** link to update your company information.

Training documents for CTA's vendor registration process are available on the Business Diversity Management System website.

If you have any questions regarding vendor registration, please refer to the training documents or send an email to ctavendormgmt@transitchicago.com.
