

CONTRACTING OPPORTUNITY **CHICAGO**

Chicago Avenue River Bridge & Chicago Avenue/ Halsted Street Viaduct

The Chicago Department of Transportation will be advertising a historic contracting opportunity on Friday, March 14, 2025.

This project will focus on improving traffic flow for all modes of transportation in the area, while also removing existing deteriorated structures and replacing them with new structures.

Construction Firms: Don't Miss Out!

Join the Pre-Bid Conference & Live Info Session to connect with small businesses and subcontractors, explore new opportunities, and learn how to meet the contract goals of 30% MBE, 6% WBE, and 1% VBE. Let's build together!
