Office of Business & Workforce Diversity  
2300 South Dirksen Parkway / Springfield, Illinois 62764

## Work Location and Category Information

**Work Location:** Mark only the district(s) where your firm can perform in an efficient and profitable manner. If your work experience and equipment do not indicate your ability to perform in certain areas, IDOT reserves the right to modify your selections.

- |                                     |                                     |                                     |                                     |                                     |
|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|
| <input type="checkbox"/> District 1 | <input type="checkbox"/> District 3 | <input type="checkbox"/> District 5 | <input type="checkbox"/> District 7 | <input type="checkbox"/> District 9 |
| <input type="checkbox"/> District 2 | <input type="checkbox"/> District 4 | <input type="checkbox"/> District 6 | <input type="checkbox"/> District 8 |                                     |

**Work Category:** You are limited to ten (10) work categories. If your work experience and equipment do not indicate your ability to perform in certain areas, IDOT reserves the right to modify your selections. **Note:** To bid as a prime contractor on IDOT projects, your firm must be prequalified with IDOT's Bureau of Construction.

### Construction Services

- |   |  |   |
|---|--|---|
| <input type="checkbox"/> Aggregate Bases & Surfaces | <input type="checkbox"/> Painting (Misc.)                        | <input type="checkbox"/> Sawing Concrete                      |
| <input type="checkbox"/> Bituminous Paving          | <input type="checkbox"/> Pavement Markers (Raised)               | <input type="checkbox"/> Seal Coat                            |
| <input type="checkbox"/> Box Culverts               | <input type="checkbox"/> Pavement Marking: Epoxy                 | <input type="checkbox"/> Seeding & Sodding                    |
| <input type="checkbox"/> Bridges                    | <input type="checkbox"/> Pavement Marking: Paint                 | <input type="checkbox"/> Signing                              |
| <input type="checkbox"/> Clearing and Grubbing      | <input type="checkbox"/> Pavement Marking: Thermoplastic (Truck) | <input type="checkbox"/> Steel, Reinforcing (Rebar Placement) |
| <input type="checkbox"/> Curb & Gutter, Sidewalks   | <input type="checkbox"/> Pavement Marking: Thermoplastic (Hand)  | <input type="checkbox"/> Steel, Structural (Erection)         |
| <input type="checkbox"/> Demolition                 | <input type="checkbox"/> Pavement Patching                       | <input type="checkbox"/> Traffic Control                      |
| <input type="checkbox"/> Drainage                   | <input type="checkbox"/> Portland Cement Concrete Paving         | <input type="checkbox"/> Trucking                             |
| <input type="checkbox"/> Electrical                 | <input type="checkbox"/> Precast & Prestressed Concrete          | <input type="checkbox"/> Underground Utilities                |
| <input type="checkbox"/> Excavating & Grading       | <input type="checkbox"/> Rotomilling                             | <input type="checkbox"/> Welding                              |
| <input type="checkbox"/> Fencing                    | <input type="checkbox"/> Sandblasting                            | <input type="checkbox"/> Other _____                          |
| <input type="checkbox"/> Guardrail                  |  |   |
| <input type="checkbox"/> Landscaping                |  |   |
| <input type="checkbox"/> Miscellaneous Concrete     |  |   |
| <input type="checkbox"/> Painting (Bridge)          |  |   |

### Material Services

- |   |  |   |
|---|--|---|
| <input type="checkbox"/> Aggregate        | <input type="checkbox"/> Miscellaneous Steel Fabrication | <input type="checkbox"/> Structural Steel Fabrication |
| <input type="checkbox"/> Asphalt          | <input type="checkbox"/> Paint                           | <input type="checkbox"/> Traffic Control              |
| <input type="checkbox"/> Concrete         | <input type="checkbox"/> Petroleum Products              | <input type="checkbox"/> Wood                         |
| <input type="checkbox"/> Electrical       | <input type="checkbox"/> Pipe (Drainage & Sewer)         | <input type="checkbox"/> Other _____                  |
| <input type="checkbox"/> Landscape Plants | <input type="checkbox"/> Reinforcing Steel               |   |

### Miscellaneous Services

- |  |  |                                      |
|--|--|--------------------------------------|
| <input type="checkbox"/> Equipment Rental                | <input type="checkbox"/> Real Estate Appraisal | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Insurance and Performance Bonds |  |                                      |

## Professional Consultant Services

**Note:** To bid as an engineering consultant or subconsultant on IDOT projects, your firm must be prequalified with IDOT's Bureau of Design and Environment. Do not mark a work category(ies) that requires prequalification unless your firm is currently prequalified in the category(ies).

### *Categories that require prequalification*

#### **Plans, Specifications and Estimates**

##### **Highways**

- Freeways
- Roads & Streets

##### **Aeronautics**

- Planning & Special Services
- Design
- Construction Inspection

##### **Structures**

- Highway: Simple
- Highway: Typical
- Highway: Advanced Typical
- Highway: Complex
- Railroad
- Movable

##### **Major River Bridges:**

- Steel Girder
- Tied Arch
- Segment Concrete Box Girders
- Cont./Cant. Truss
- Cable Stayed Girders

##### **Special Plans**

- Traffic Signals
- Lighting
- Pumping Stations

#### **Studies, Reports and Special Services**

##### **Special Studies**

- Location Drainage
- Traffic
- Signal Coordination & Timing (SCAT)
- Safety
- Feasibility

#### **Studies, Reports and Special Services (cont'd)**

##### **Hydraulic Reports**

###### **Waterways:**

- Typical
- Complex
- Pump Stations

##### **Location/Design Studies**

- Rehabilitation
- Reconst./Major Rehab.
- New Const./Major Reconst.

##### **Environmental Reports**

- Environmental Assessment
- Environmental Impact Statements

##### **Special Transportation Studies**

- Mass Transit
- Railway Engineering

##### **Special Services**

- Route Surveys
- Land Surveys
- Aerial Mapping

##### **Geotechnical Engineering:**

- Typical
- Complex
- Electrical Engineering
- Mechanical Engineering
- Sanitary Engineering
- Architecture
- Landscape Architecture
- Hazardous Waste
- Asbestos Abatement Surveys
- Construction Inspection
- Quality Assurance
- Bituminous Mix Designs
- Subsurface Utility Engineering

### *Categories that do not require prequalification*

- Managerial Training
- Research
- Technical Training

- Urban Planning
- Other
