INSTRUCTIONS FOR PREPARATION OF NON-COMPETITIVE PROCUREMENT FORM

If a City Department has determined that the purchase of supplies, equipment, work and/or services cannot be done on a competitive basis, a justification must be prepared on this "Justification for Non-Competitive Procurement Form" in which procurement is requested on a non-bid or non-competitive basis in accordance with 65 ILCS 5/8-10-4 of the Illinois Compiled Statutes. All applicable questions in each Subject Area below must be answered. The information provided must be complete and in sufficient detail to allow for a decision to be made by the Non-Competitive Procurement Review Board. Also attach a DPS Checklist and any other required documentation. The Board will not consider justification with incomplete information documentation or omissions.

PROCUREMENT HISTORY
1. Describe the requirement and how it evolved from initial planning to its present status.
2. Is this a first-time requirement or a continuation of previous procurement from the same source? If so, explain the procurement history.
3. Explain attempts made to competitively bid the requirement. (Attach copy of notice and list of sources contacted)
4. Describe all research done to find other sources. (List other cities contacted, companies in the industry contacted, professional organizations, periodicals and other publications used).
5. Explain future procurement objectives. Is this a one-time request or will future requests be made for doing business with the same source?
6. Explain whether or not future competitive bidding is possible. If not, why not?

ESTIMATED COST
1. What is the estimated cost for this requirement (or for each contract, if multiple awards contemplated)? What is the funding source?
2. What is the estimated cost by fiscal year, if the job project or program covers multiple years?
3. Explain the basis for estimating the cost and what assumptions were made and/or data used (i.e., budgeted amount, previous contract price, current catalog or cost proposal from firms solicited, engineering or in-house estimate, etc.)
4. Explain whether the proposed Contractor or the City has a substantial dollar investment in original design, tooling or other factors which would be duplicated at City expense if another source was considered. Describe cost savings or other measurable benefits to the City which may be achieved.
5. Explain what negotiation of price has occurred or will occur. Detail why the estimated cost is deemed reasonable.

SCHEDULE REQUIREMENTS
1. Explain how the schedule was developed and at what point the specific dates were known.
2. Is lack of drawings and/or specifications a constraining factor to competitive bidding? If so, why is the proposed Contractor the only person or firm able to perform under these circumstances? Why are the drawings and specifications lacking? What is the lead time required to get drawings and specifications suitable for competition? If lack of drawings and specifications is not a constraining factor to competitive bidding, explain why only one person or firm can meet the required schedule.
3. Outline the required schedule by delivery or completion dates and explain the reasons why the schedule is critical.
4. Describe in detail what impact delays for competitive bidding would have on City operations, programs, costs and budgeted funds.

EXCLUSIVE OR UNIQUE CAPABILITY
1. If contemplating hiring a person or firm as a Professional Service Consultant, explain in detail what professional skills, expertise, qualifications, and/or other factors make this person or firm exclusively or uniquely qualified for the project. Attach a copy of the cost proposal, scope of services, and temporary consulting services form.
2. Does the proposed firm have personnel considered unquestionably predominant in the particular field?
3. What prior experience of a highly specialized nature does the person or firm exclusively possess that is vital to the job, project or program?
4. What technical facilities or test equipment does the person or firm exclusively possess of a highly specialized nature which is vital to the job?
5. What other capabilities and/or capacity does the proposed firm possess which is necessary for the specific job, project or program which makes them the only source who can perform the work within the required time schedule without unreasonable costs to the City?
6. If procuring products or equipment, describe the intended use and explain any exclusive or unique capabilities, features and/or functions the same have which no other brands or models, etc. possess. Is compatibility with existing equipment critical from an operational standpoint? Explain why?
7. Is competition precluded because of the existence of patent rights, copyrights, trade secrets, technical data, or other proprietary data? Attach documentation verifying such.
8. If procuring replacement parts and/or maintenance services, explain whether or not replacement parts and/or services can be obtained from any other source(s)? If not, is the proposed firm the only authorized or exclusive dealer/distributor and/or service center? If so, attach letter from manufacturer.

MBE/WBE COMPLIANCE PLAN
* All submissions must contain detailed information about how the proposed firm will comply with the requirements of the City's Minority and Women Owned Business program. All submissions must include a complete C-1 and D-1 form, which is available on the Procurement Services page on the City's Intranet site. The City Department must submit a Compliance Plan, including details about direct and indirect compliance.

OTHER
Explain other related considerations and attach all applicable supporting documents, i.e., an approved ITGB form.

REVIEW AND APPROVAL
This form must be signed by both Originator of the request and signed by the Department Head or authorized designee. MEMORANDUM

TO: JAMIE RHEE
Chief Procurement Officer
Department of Procurement Services

FROM: JOANE COOGAN
Director
Mayor's Office of Intergovernmental Affairs

DATE: March 23, 2011

RE: William Filan Extension

I am requesting an extension of three months or until the adjournment of the Spring 2011 session of the Illinois General Assembly, whichever is later, for William Filan, PO #13429, in the amount of $7,000.00 (seven thousand dollars) per month, with a maximum compensation of $21,000.00 (twenty-one thousand dollars). The House and Senate are currently scheduled to adjourn May 31, 2011.

The extension of the contract is necessary to allow for the continued services of Mr. Filan for the remainder of this legislative session, and the several weeks following adjournment. His services are needed to assist with communications between the City and the legislative leaders, and with analyzing and tracking bills.

As you may know, the last month of a legislative session is crucial in that the significant issues are not dealt with in a conclusive manner until then. Matters which can greatly impact City finances, the City's governmental authority and operations, and a whole host of other quality of life aspects for residents of the city tend to be decided in the closing weeks of a legislative session. It is imperative to have someone of Mr. Filan's experience and knowledge of the City's particular interests as final legislative action occurs. It is further necessary to have his assistance after the General Assembly adjourns in order to assess the impact of bills that have passed, and communications are begun with the Office of the Governor as to the City's positions and recommendations.

Please contact me if you need any additional information to review this request.
JUSTIFICATION FOR NON-COMPETITIVE PROCUREMENT

WILLIAM FILAN, CORPORATE AND GOVERNMENT PLANNER

Procurement History

1. For decades, the City has contracted with individuals to assist in the representation of the City at the state level. The City requires the services of a consultant with unique and extensive knowledge of the State legislative process and the people that work within that process. As such, it is important to maintain outside representation continuously. Such a consultant will provide advice and insight regarding such matters and will further the City's interests in initiatives taking place at the state level.

2. This amendment for additional money is a continuation of a contract that Mr. Filan has with the City since 2006 that needs to be extended to bring him through this current 2011 spring legislative session. He was originally contracted to assist with the management of communications between the City and the legislative leaders.

3. This contract was not made available through the competitive bidding process but was approved by the NCRB. William Filan is uniquely qualified to provide such services based upon his background in state and city government and his relationships with legislators.

4. Proposals were not solicited due to the specific nature of the duties to be performed under this Agreement.

5. Mr. Filan's services are of utmost importance and may be required for an unknown period of time.

6. The services under this Agreement are extremely sensitive and the City requires a high degree of trust and confidence in the individual who will perform them. It is inappropriate to put this kind of contract out to bid because of the highly specialized nature of the work.

Estimated Cost

William Filan shall be paid by the City for all the services performed under the Agreement at a monthly rate of Seven Thousand Dollars ($7,000.00).

Therefore the maximum compensation to be paid to the Consultant by the City is Twenty One Thousand Dollars ($21,000.00) per year.

Schedule Requirements

1. The contract term is a three year Blanket Term Agreement, from April 1, 2006 through March 31, 2009, with an option to extend the contract for two (2) one (1) year periods. The contract was extended April 1, 2009 though April 1, 2010 the second extension was exercised April 1, 2010 through April 1, 2011. This extension is needed from April1, 2011 through May 31, 2011 or until the 2011 spring legislative session ends.

2. It is difficult to outline the exact requirements and expectations in this area because of the complexity of the issues and processes in state government. Additionally, it is difficult to define requirements for institutional knowledge that Mr. Filan brings in his role.

3. The Illinois General Assembly has a calendar that is constrained by statutory dates. We are currently in session and may go through May. It is imperative to have a complete team during the scheduled session days and Mr. Filan is an integral part of the team.
Exclusive or Unique Capability

1. William Filan is uniquely qualified to represent the City's interest before state governmental bodies and to assist the City in forming strategies to influence the posture of state legislation, state regulations, or other state matters affecting the City. W. Filan has been involved in the politics and policy in state government for over 16 years. His relationship with key political leaders enhances the City's standing and provides direct access to decision-makers.

2. W. Filan is the only individual involved in this contract. He is outstanding in his field of expertise and brings highly specific experiences that broaden the effectiveness of the City's team in Springfield.

3. W. Filan brings a unique perspective from his prior experiences. Now, as an independent contractor, he brings that unique experience to the City's team. There have not been many people that have similar experiences, and that enhances the City's ability to be effective in Springfield.

4. The kinds of unique tools that W. Filan brings to this project are not tangible.

5. While in Springfield, the City team must work under incredible time constraints and deadlines. Having an individual, such as W. Filan, is indispensable to provide a direct line to decision-makers and high level staffers to make quick progress on vital issues.

6. N/A

7. No.

8. N/A
SCHEDULE OF COMPENSATION

William Filan shall be paid by the City for all the services performed under the Agreement at a monthly rate of Seven Thousand Dollars ($7,000.00).

Therefore the maximum compensation to be paid to the Consultant by the City is Twenty One Thousand Dollars ($21,000.00) per year.
Scope of Services

A. Consult with the City on various matters, including, but not limited to, policy matters and legislative strategy.

B. Assist in developing strategies to approach the Illinois General Assembly and its leaders.

C. Assist in the passage and enactment of state legislation favored by the City.

D. Assist in the defeat of state legislation opposed by the City.

G. Communicate the City's position and posture on legislation to elected and appointed state public officials.

H. Maintain open lines of communication with legislative leaders and their professional staffs.

I. Assist state public officials in any matter which the City may determine to be in its best interests.

J. Assist the City in drafting, preparing, and presenting state legislation; appear before state legislative committees representing the City's interest in accordance with the Director's instructions.

K. Review and comment on state legislative proposals, state regulatory proposals, or other matters which may have a bearing on City policy or programs given by City departments, City officials, or City employees.

L. Assist the City in all other projects, programs, or initiatives concerning the City as the City may direct.

M. Provide training for new City team members as an introduction to the state legislative process.
