INSTRUCTIONS FOR PREPARATION OF NON-COMPETITIVE PROCUREMENT FORM

If a City Department has determined that the purchase of supplies, equipment, work and/or services cannot be done on a competitive basis, a justification must be prepared on this “Justification for Non-Competitive Procurement Form” in which procurement is requested on a non-bid or non-competitive basis in accordance with 65 ILCS 5/6-10-4 of the Illinois Compiled Statutes. All applicable questions in each Subject Area below must be answered. The information provided must be complete and in sufficient detail to allow for a decision to be made by the Non-Competitive Procurement Review Board. Also attach a DPS Checklist and any other required documentation. The Board will not consider justification with incomplete information documentation or omissions.

PROCUREMENT HISTORY
1. Describe the requirement and how it evolved from initial planning to its present status.
2. Is this a first time requirement or a continuation of previous procurement from the same source? If so, explain the procurement history.
3. Explain attempts made to competitively bid the requirement. (Attach copy of notices and list of sources contacted)
4. Describe all research done to find other sources. (List other cities contacted, companies in the industry contacted, professional organizations, periodicals and other publications used).
5. Explain future procurement objectives. Is this a one-time request or will future requests be made for doing business with the same source?
6. Explain whether or not future competitive bidding is possible. If not, why not?

ESTIMATED COST
1. What is the estimated cost for this requirement (or for each contract, if multiple awards contemplated)? What is the funding source?
2. What is the estimated cost by fiscal year, if the job project or program covers multiple years?
3. Explain the basis for estimating the cost and what assumptions were made and/or data used (i.e., budgeted amount, previous contract price, current catalog or cost proposal from firms solicited, engineering or in-house estimate, etc.)
4. Explain whether the proposed Contractor or the City has a substantial dollar investment in original design, tooling or other factors which would be duplicated at City expense if another source was considered. Describe cost savings or other measurable benefits to the City which may be achieved.
5. Explain what negotiation of price has occurred or will occur. Detail why the estimated cost is deemed reasonable.

SCHEDULE REQUIREMENTS
1. Explain how the schedule was developed and at what point the specific dates were known.
2. Is lack of drawings and/or specifications a constraining factor to competitive bidding? If so, why is the proposed Contractor the only person or firm able to perform under these circumstances? Why are the drawings and specifications lacking? What is the lead time required to get drawings and specifications suitable for competition? If lack of drawings and specifications is not a constraining factor to competitive bidding, explain why only one person or firm can meet the required schedule.
3. Outline the required schedule by delivery or completion dates and explain the reasons why the schedule is critical.
4. Describe in detail what impact delays for competitive bidding would have on City operations, programs, costs and budgeted funds.

EXCLUSIVE OR UNIQUE CAPABILITY
1. If contemplating hiring a person or firm as a Professional Service Consultant, explain in detail what professional skills, expertise, qualifications, and/or other factors make this person or firm exclusively or uniquely qualified for the project. Attach a copy of the cost proposal, scope of services, and temporary consulting services form.
2. Does the proposed firm have personnel considered unquestionably predominant in the particular field?
3. What prior experience of a highly specialized nature does the person or firm exclusively possess that is vital to the job, project or program?
4. What technical facilities or test equipment does the person or firm exclusively possess of a highly specialized nature which is vital to the job?
5. What other capabilities and/or capacity does the proposed firm possess which is necessary for the specific job, project or program which makes them the only source who can perform the work within the required time schedule without unreasonable costs to the City?
6. If procuring products or equipment, describe the intended use and explain any exclusive or unique capabilities, features and/or functions the items have which no other brands or models, etc. possess. Is compatibility with existing equipment critical from an operational standpoint? Explain why?
7. Is competition precluded because of the existence of patent rights, copyrights, trade secrets, technical data, or other proprietary data? Attach documentation verifying such.
8. If procuring replacement parts and/or maintenance services, explain whether or not replacement parts and/or services can be obtained from any other sources? If not, is the proposed firm the only authorized or exclusive dealer/distributor and/or service center? If so, attach letter from manufacturer.

MBE/WBE COMPLIANCE PLAN
* All submissions must contain detailed information about how the proposed firm will comply with the requirements of the City's Minority and Women Owned Business program. All submissions must include a complete C-1 and D-1 form, which is available on the Procurement Services page on the City's intranet site. The City Department must submit a Compliance Plan, including details about direct and indirect compliance.

OTHER
- Explain other related considerations and attach all applicable supporting documents, i.e., an approved ITGB form.

REVIEW AND APPROVAL
This form must be signed by both Originator of the request and signed by the Department Head or authorized designee. After review and final disposition from the Board, this form will be signed by the Chairperson of the Board. Re: Legislative Consulting  

I am requesting non-competitive procurement for the following firm for legislative consulting services:

• Luking and Associates  

As you know we have several significant issues pending before the State of Illinois. Additionally, the Illinois General Assembly is scheduled to return next month for the spring legislative session. It is critical that the City have representation in Springfield and the firms listed above have the experience and knowledge of the legislative process as well as an understanding of the City’s unique interests.

Attached, please find the Non-Competitive Review Board’s (NCRB) Justification for Non-Competitive Procurement.

Thank you in advance for your consideration and please contact me if you need any additional information.
Justification For Non-Competitive Procurement

Luking & Associates, LLC

Procurement History

1. For decades, the City of Chicago has contracted with several individuals to assist in the representation of the City at the state level. The City requires the services of a consultant with unique and extensive knowledge of the State legislative process and the people that work within that process. As such, it is important to maintain outside representation continuously. Such a consultant will provide advice and insight regarding such matters and will further the City’s interests in initiatives taking place at the state level.

2. William Luking has represented the City of Chicago at the state level since 1983.

3. This contract was not made available through the competitive bidding process. William Luking is uniquely qualified to provide such services based upon his background, his many years of work representing the City of Chicago and his extensive knowledge of the legislative process.

4. Proposals were not solicited due to the specific nature of the duties to be performed.

5. Mr. Luking’s services are of the utmost importance and may be required for an unknown period of time.

6. The services under this agreement are extremely sensitive and the City requires a high degree of trust and confidence in the individuals who will perform them. It is inappropriate to put this kind of contract out to bid because of the highly specialized nature of the work.

Estimated Cost

1. Luking & Assoc., LLC, shall be paid by the City for all the services performed under the Agreement at a monthly rate of $8,500.00

2. Therefore the annual costs to be paid to the Consultant by the City is $102,000 per year.

Schedule Requirements

1. The contract term is a two year Blanket term Agreement, from October 1, 2011 through September 30, 2013, with an option to extend the contract for two (2) one (1) year periods

2. It is difficult to outline the exact requirements and expectations in this area because of the complexity of the issues facing the City of Chicago in Springfield and processes in state government, especially before the General Assembly and the Executive Branch.
Additionally, it is very difficult to define requirements for the institutional knowledge and extensive experience both in the legislative process as well as the regulatory and rule-making process that Mr. Luking brings into this role.

3. The Illinois General assembly has a calendar that is constrained by statutory dates. We are currently working through the fall veto session that will go through December and the Spring session will begin soon after the first of the year. It is imperative to have a complete team in place right away and as we prepare for the Spring Session and Mr. Luking is an integral part of the team and has been for many years.

Exclusive or Unique Capability

1. William Luking is uniquely qualified to represent the City’s interest before state governmental bodies and to assist the City in forming strategies to influence the posture of state legislation, state regulations or other matters affecting the City. Mr. Luking has been involved in the politics and policy in state government for decades and has represented the City for many years. He has an institutional knowledge both of the Illinois Legislature and the City of Chicago that makes him specifically qualified to continue to represent the City – his depth of knowledge on issues impacting the City cannot be overstated. Mr. Luking is currently involved in efforts to protect Chicago’s share of the income tax as well as protecting the City’s local portion of the sales tax and the multifaceted tax bill currently before the Legislature. Mr. Luking has also been heavily involved in education legislation, tax policy, transportation and pension legislation, especially as it impacts mass transit and these efforts will continue to be on the front burner over the next several years. Since the mid 1980’s, Mr. Luking has been involved in every major legislative effort the City has undertaken in Springfield for the past 30 years.

2. Mr. Luking is the only individual involved in this contract. He is outstanding in his field of expertise and brings highly specific experiences, including having represented the City through several Mayoral and Gubernatorial administrations that broaden the effectiveness of the City’s team in Springfield. Mr. Luking has represented the City in Springfield for decades and this continuity is invaluable and provides the City with a direct link to the background and context of the Illinois Legislature. This is especially important and valuable in light of the transition to have continuity going forward. Mr. Luking has played a role for many years in pension legislation as well as tax increment financing, both of which will be taken up in the fall veto session and the spring session. Finally, in light of the current economic climate and extremely difficult budget times, having someone with Mr. Luking’s experience, reputation and ability is more important than ever.
3. Mr. Luking brings a unique experience from his prior experiences in both the public and private sector at the state and local levels. With his knowledge of the City and history before the Legislature on behalf of the City, it would be near impossible to find someone with that similar experience, and that specifically enhances the City’s ability to be effective in Springfield. In addition, the continuity that he brings, with the historical knowledge and understanding of the context with which legislation has been made, make Mr. Luking an essential part of the City’s efforts in Springfield.

4. The kinds of unique tools that Mr. Luking brings to this project are not tangible.

5. While in Springfield, the City team must work under incredible time constraints and deadlines in what is often an extremely fluid environment. Having an individual, such as Mr. Luking, is indispensable to provide a direct line to decision-makers and senior staff to make quick progress on vital issues. Additionally, with his experience in the legislative process and his history in Springfield, Mr. Luking directly participated in nearly every major substantive piece of legislation that impacts the City of Chicago over the last several decades.

3. Assist in the passage and enactment of state legislation favored by the City.

Dear Ms. Rhee:

Luking & Assocs., LLC, is a small enterprise, only occasionally retaining independent contractors. Its size and the uniqueness of our background and experience and the description of services provided does not present a situation where it would be possible to fulfill a M/WBE request. Accordingly, a waiver is requested.

Very truly yours,

Dear Ms. Rivera:

Re: Sole source contract

This is our attempt to respond to your request for additional information supporting a proposed sole source award for Illinois legislative and governmental services.

W. H. Luking, either through the law firm of Ross & Hardies or as principal of Luking & Assoc., LLC, has represented the City of Chicago on State governmental matters since 1983.

In such capacity we have been exposed to all material issues affecting the City over that tenure. We have developed a particular background in municipal governance, State and local tax and other issues and an appreciation for home rule powers and limitations and craft. We have also developed an expertise in the legislative process and agency rule making (from inception through the Joint Committee on Administrative Rules process.)

We have been involved in leadership roles in major initiatives of signature import; O'Hare expansion legislation, Midway and other asset privatization, Bears Stadium, creation of Sports Facilities Authority (to retain the Sox), Build Illinois, Illinois First and the current capital initiative passed in 2010. We have a historical and technical understanding of gaming.

Aforementioned major issues are periodic, but may involve years of preparation before legislative passage and implementation. On a day to day basis we focus on and claim expertise in tax increment financing, pensions, issues of State and local taxation and State budget issues.
This tenure, history and involvement have served to create and develop strong relationships with legislative leaders, members and staffs.

We believe this history, past performance and subject matter and process mastery justifies award of contract as proposed.

Very truly yours,
