☑ PROCUREMENT HISTORY
On September 3, 1996, Suncoast, Inc., was awarded the first contract (T27239) to implement modules of the SunTrack proprietary software in CDOT and the Department of Planning & Development. Suncoast, Inc. was purchased by Motorola. This contract was extended through 8/2001.

On August 31, 2001, the City entered into a 3-year agreement (T26138) with Motorola, with 2 (1) year extensions. This agreement was the result of an approved NCRB request.

In July/2007, the City awarded a 5-year agreement (T26138) with 2 (1) year extensions. The agreement was also the result of an approved NCRB request.

On April 7, 2010, the contract was amended to add PocketCSR and CSR Mobile to the contract.

In August/2011, NCRB approved a 1-year extension, an increase in vendor limit, and addition of MapViewer and Contact Center licenses to the contract.

In May/2012, Connected Bits was added as a subcontractor to the Motorola contract for the purposes of providing a hosted solution for smartphone applications to add and inquire on various service requests.
$ 3,500,000 needs to be added to the vendor limit to cover license fees and application support for a period from 8/31/2012 through 8/31/2013. This covers MapViewer hosting, Contact Center hosting and services, Carts Replacement, projects for Traffic Services, Midway Citiworks, ChiText Phases II and III, PocketCSR Mobile, and the CSR upgrade.

The contract expires 8/31/12.

In the late 1990's the City was remediating and replacing software to ensure City applications could handle Y2K dates. Suncoast provided a configurable, Y2K compliant application. The SunTrack software modules were enhanced and customized to fit the City's needs; we now have a unique set of interdependent applications. Currently, the City does not have the resources to replace the software and the software does not really need to be replaced because it adequately support City processes.

RE: NCRB Amendment Request Regarding Motorola (Requisition No. 71318)

At the end of May, prior to my joining DoIT, the department submitted a request for approval to extend Contract PO Number T26138 and Specification Number B02056214 in accordance with the renewal term of the contract for one final year. This request was approved by the NCRB last week.

I wanted to assure that I support this contract extension as submitted in May and that I am currently developing a new CSR strategy to support replacement of this contract in a timely manner.

Please let me know if you have any additional questions.

Re: NCRB Amendment Request Regarding Motorola  
Requisition No. 71318

The Department of Innovation & Technology (DOIT) is requesting approval to extend Contract (PO) Number T26138 and Specification Number B02056214 in accordance with the renewal term of the contract for one additional year. The City will exercise the “Agreement Extension Option” (3.2) by writing a memorandum in which the Agreement was elected to be extended for an additional one (1) year period until 2013, as specified in Article 3, Section 3.2 of the existing Contract Number T26138.

To that end, the terms of the renewal that will be executed as an amendment to Contract T26138 are as follows:

- Extended Expiration Date: 08/31/2013
- Extended Contract Value: $3,500,000

Motorola has been MBE/WBE compliant throughout the duration of this Agreement and is committed to be compliant for the additional $3.5 M for this extension. Additionally, Motorola is continually making a good faith effort to find ways to utilize MBE/WBE subcontractors in all contracts. They have stated that their intent is to find and qualify MBE/WBE subcontractors that can participate in contracts for the City of Chicago on a direct subcontractor basis.

With the sponsorship and participation of our business process owner departments, the DOIT CRM Program’s short and long term plans for software and services anticipates the need for pursuing open-bid RFPs, RFQs, TORs, or SOWs before all of this contract’s time extension has been exercised.
Any questions or concerns should be directed to Diane O’Brien (312-744-5853), Carleton Nolan (312-744-3963), or Judy Mims (312-742-1817)

RE: Motorola Solutions Contract Number: T26138
Software Maintenance, Support and Professional Services for 311 Systems (CSR, AHMS, SunTRACK Permitting, and System Integration)
Vendor Limit Increase

Dear Mrs. Rhee:

The City of Chicago uses Motorola Solutions' Customer Service Request (CSR) as the backbone technology behind the 3-1-1 program. CSR is a customer relationship management tool designed specifically for local government. The CSR system is used to intake service requests from the public through the City Call Center and the Internet to automate associated workflow processes by routing service requests to the appropriate departments, weed out duplicates, coordinate workflow among different agencies, and track requests through to resolution.

The City of Chicago also uses PocketCSR and CSR Mobile, which are mobile applications that are extensions of the CSR product. PocketCSR and CSR Mobile allow field workers to wirelessly retrieve assigned customer service activities to work the requests immediately in the field, and allow the field worker to transmit back to CSR when the activities are completed. These applications also allow field workers to create new service requests, and run pre-defined queries.

There are currently no authorized third parties to provide support of the CSR system, thus Motorola Solutions is the sole provider of maintenance and support services for the CSR system.

In addition to CSR, Motorola Solutions also supports the Administrative Hearings Management System (AHMS), SunTRACK Permitting, and System Integration between all three of these enterprise applications, as well as integrating the third-party software solutions which is facilitated by the Application Hub product.

Motorola Solutions is the only vendor that can support, maintain, and service AHMS, SunTRACK Permitting, and the Application Hub.

Please direct any further correspondence to Tom Horbinski, Program Manager (224) 715-9619.

Annual No Change Affidavit Due: September 1, 2011

Dear Kayhan Heilriegel:

Congratulations on your continued eligibility for certification as a Women Business Enterprise (WBE) by the City of Chicago. This certification is valid until September 1, 2013.

As you know, your firm must also be re-validated annually. We extended the deadline for submitting the No-Change Affidavit to September 1st so that we might review the program for ways to streamline the process. As a result, while you will still be required to submit an annual No-Change Affidavit, we will no longer require firms to submit financial records with the Affidavit, and we will allow the Affidavit to be submitted on-line. This should improve the process for businesses and make it easier to comply with annual validation requirements. However, as part of our program improvements, we will also increase auditing activities, and you may at any time be required to submit financial records and other documents needed to support your continued eligibility.

This new process will begin in 2011. As such, your firm's next No Change Affidavit is due by September 1, 2011. Please remember, you have an affirmative duty to file your NoChange Affidavit 60 days prior to the date of expiration. Therefore, you must file your No-Change Affidavit by July 3, 2011.

It is important to note that you also have an ongoing affirmative duty to notify the City of Chicago of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification within 10 days of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, and/or gross receipts that exceed the program threshold.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a WBE if you fail to
- file your No Change Affidavit within the required time period;
- provide financial or other records requested pursuant to an audit within the required time period; or
- notify the City of any changes affecting your firm's certification within 10 days of such change.

Further, if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. And in addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining, a contract with the city by falsely
representing that the individual or entity, or the individual or entity assisted, is a minority-owned business or a woman-owned business, is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months or a fine of not less than $5,000.00 and not more than $10,000, or both.

FAMILIAL RELATIONSHIPS WITH ELECTED CITY OFFICIALS AND DEPARTMENT HEADS

This question is to be completed only by (a) the Applicant, and (b) any legal entity which has a direct ownership interest in the Applicant exceeding 7.5 percent. It is not to be completed by any legal entity which has only an indirect ownership interest in the Applicant.

Under Municipal Code Section 2-154-015, the Disclosing Party must disclose whether such Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently has a "familial relationship" with any elected city official or department head. A "familial relationship" exists if, as of the date this EDS is signed, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof is related to the mayor, any alderman, the city clerk, the city treasurer or any city department head as spouse or domestic partner or as any of the following, whether by blood or adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister or half-brother or half-sister.

"Applicable Party" means (1) all corporate officers of the Disclosing Party, if the Disclosing Party is a corporation; all partners of the Disclosing Party, if the Disclosing Party is a general partnership; all general partners and limited partners of the Disclosing Party, if the Disclosing Party is a limited partnership; all managers, managing members and members of the Disclosing Party, if the Disclosing Party is a limited liability company; (2) all principal officers of the Disclosing Party; and (3) any person having more than a 7.5 percent ownership interest in the Disclosing Party. "Principal officers" means the president, chief operating officer, executive director, chief financial officer, treasurer or secretary of a legal entity or any person exercising similar authority.
Does the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently have a "familial relationship" with an elected city official or department head?

No

Section V Certifications

With respect to itself, Motorola certifies the following Subsections of Section V to be true: V.B.2a, V.B.3.a through d and V.B.4. With respect to itself, Motorola certifies on knowledge and belief after due inquiry that the following are true: V.B.2.b through e. Motorola, however, provides further clarification below regarding V.B.2b through e. With respect to non-Motorola entities, Motorola certifies on knowledge and belief after due inquiry all subsections in Section V to be true.

B2(b) & (e): Motorola is a Fortune 300 company with billions of dollars in annual sales globally, employing thousands of workers worldwide and having more than one hundred thousand (100,000) shareholders. As is normal for such companies, Motorola and its subsidiaries have been a party to hundreds of civil lawsuits in past years. Those suits have made many different legal and factual claims and have put forward many alleged legal theories seeking damages or other legal relief against Motorola. Motorola does not maintain a detailed history of such cases or their outcomes, nor does it maintain a listing of all allegations made therein, and therefore cannot provide the same. As a publicly traded company, however, Motorola files an annual report Form 10-K with the SEC and describes therein certain litigation that is material for disclosure under SEC rules. A copy of the cover page and of the relevant "Legal Proceedings" section of Motorola's most recently filed 10-K will be provided to the City upon request. Since the 10-K contains only such litigation as is material for public disclosure under SEC rules, it may not list all litigation with which Motorola or its subsidiaries are presently involved.

B2(c) & (e): In June, 2004, Symbol Technologies, Inc., a subsidiary of Motorola, entered into settlement agreements with the Department of Justice and the Securities and Exchange Commission. Those settlement agreements were the result of accounting irregularities directed by former management of the Company over a several year period ending in 2002. As part of those agreements, Symbol made a payment of $40 million to the United States Postal Inspection Service Consumer Fraud Fund and a restitution fund of purchasers of Symbol common stock. Symbol itself was not charged, prosecuted or indicted for any crimes. However, several members of Symbol's former management, none of whom has been employed at Symbol for many years, were indicted for securities fraud and related offenses. As a result, Symbol has strengthened its auditing and accounting functions since 2002, hiring replacement and additional staff in both areas. Motorola is aware that the United States conducted a criminal investigation in connection with a contract for FMU-140 bomb fuses that was administered by the U. S. Army. However, this matter was settled in March, 2004.

B2(d) & (e): Considering the sales volume of Motorola, instances may occur in the ordinary course of business where disputes with customers, including governmental agencies, are raised concerning contract performance. To its best knowledge and belief after due inquiry, Motorola is not aware of any termination for cause or default against it or its subsidiaries by a governmental agency or court of competent jurisdiction within the past five (5) years.
