**DEPARTMENT OF PROCUREMENT SERVICES  
NON-COMPETITIVE REVIEW BOARD (NCRB) APPLICATION  
JUSTIFICATION FOR NON-COMPETITIVE PROCUREMENT WORKSHEET**

All applicable information on this worksheet must be addressed using each question found on the "Instructions for Non-Competitive Procurement Application" in this application.

**Justification for Non-Competitive Procurement Worksheet**

**PROCUREMENT HISTORY**

1. DLT Solutions LLC (DLT) is the reseller for Oracle America, Inc (Oracle) that currently provides Oracle's Software, Hardware, Licensing, and services to the City of Chicago (City). The City started procuring Oracle products from the reseller DLT in approximately 2017 via a reference contract established through a Maricopa County, AZ agreement with DLT. When this reference contract was established, the General Counsel at DPS at the time instructed that each procurement from DLT must be processed as an individual Joint Procurement Agreement and not a standard purchase order. With over a dozen renewals processed annually, the Joint Procurement Agreement (JPA) process for each procurement with DLT is arduous for all parties involved.
2. This request for a non-competitive procurement is a continuation of the same services currently provided by DLT; this will be a direct purchase once this noncompetitive procurement is approved.
3. Competitively bidding this project was not an option due to the Oracle's strict reseller requirements, which do not allow solicitation to a pool of vendors for Oracle software, hardware, licensing, and services. Additionally, we do not seek to replace the system or products currently in use by the City. AIS seek a direct agreement with Oracle to continue sourcing the same goods and services that are currently procured via reseller DLT.
4. Alternate procurement paths were explored includes:
  - a. Procuring via NASPO, but due to potential limitation on the products and services available to the City and the extensive time it would have taken to process an agreement, the decision was made not pursue this option.
  - b. Procuring via a reference agreement with the Cook County, IL. Discussion was had around referencing the Cook County, IL professional services agreement with Oracle but it was determined that establishing the City's own direct agreement would be preferred to another reference contract. Presumably if the County was able to establish a legal agreement with Oracle, then there should be the possibility of the City reaching agreement as well.
  - c. Procuring via a different third party reseller. This is not a preferred option as a direct agreement provides the City with direct access to the supplier and is operationally efficient and cost effective.
5. We seek to establish a multi-year contract with Oracle with optional extension terms to procure the hardware, software, support, and maintenance services required to operate critical applications central to the City's HR and Financial functions (among other business functions). We would likely seek continuous renewals of this contract at the expiration of the term. This request seeks to replace the current sourcing with a direct agreement with Oracle and remove dependency on a reseller for Oracle products and enhancements.
6. The goal is not to replace the product but to improve the current process. This request seeks to replace the sourcing approach to procuring Oracle products and services, not the products themselves. As described above, we seek a direct agreement with Oracle to remove the cost and complexity associated with a reseller. We seek to continue procuring the same goods and services that we currently procure via DLT but through a direct agreement with Oracle instead. Also see the response #3 above.

**ESTIMATED COST**

1. The Estimate Cost for this Contract: Please see the attached annual budgetary estimates provided by Oracle. The estimated cost of a 36 month agreement is \$30M (\$10M annually), including 24 month extension period, The estimated total for this Agreement is \$50M. The Funding Source is City.
2. The annual estimated cost per year of this agreement is \$10,000,000.00. Please see attached price documentation including current City spend with DLT to procure Oracle products and the budgetary estimates

**DEPARTMENT OF PROCUREMENT SERVICES  
NON-COMPETITIVE REVIEW BOARD (NCRB) APPLICATION  
JUSTIFICATION FOR NON-COMPETITIVE PROCUREMENT WORKSHEET**

provided by Oracle.

3. The cost was estimated based on past spend analysis for procurements via DLT and the budgetary estimates provided by Oracle for the continuation of the same goods and services.

4. This is an Oracle package: the software, hardware and licensing are all Oracle products. Benefits include cost savings by removing reseller markup fees and operational improvements by removing the arduous JPA process.

5. Oracle has provided budgetary estimates for the current goods and services that the City procures via DLT. The budgetary estimates provided by Oracle demonstrate cost savings as compared to the past years actual spend with DLT, see ATTACHMENT NO. 1. Price Comparison & Oracle Pricing. The City will save money due to the fact that this is a direct purchase and will no longer have to pay a third-party reseller.

SCHEDULE REQUIREMENTS

1. See ATTACHMENT 2, List of Oracle Hardware and Software Products as renewed annually by month.

2. The entire inventory we seek to continue procuring is Oracle proprietary products upon which the City relies: hardware, software, and licensing. Several critical City applications are built on Oracle platforms/products and cannot be replaced with different software/hardware at this point; thus, Oracle products still must be procured either directly or via reseller. Procuring Oracle products directly from Oracle removes the need for a third-party reseller and streamlines the procurement process (standard PO vs. JPA). With a direct agreement the City would no longer be paying reseller markup fees and can negotiate pricing directly with the vendor.

3. In the absence of a direct agreement to procure these products from Oracle we will continue to procure Oracle products via DLT, which is a very lengthy process as each individual procurement is contracted via JPA. AIS IT receives 10-15 renewal quotes annually, many of which are billed on a quarterly or periodic basis resulting in complex budgeting and finance scenarios (ie. service periods crossing budget years; some invoices paid in arrears, others not; etc.). A direct agreement with Oracle for the procurement of the City's current inventory of Oracle products would be a beneficial operational improvement for AIS, DPS, DOF, and user departments.

4. As noted above competitively bidding this project would not advantageous because we seek to continue procuring the same Oracle goods and services as we currently do but via a direct agreement instead of a reseller. A competitive bid to replace with another reseller would not be cost effective nor provide the operational benefits described, resulting in potential delays for required future enhancements.

EXCLUSIVE OR UNIQUE CAPABILITY

1. NCBR approval will allow the successful completion of the project will enable the City to reduce it's procurement costs relating to Oracle products and services: software, hardware, infrastructure, licenses, and services to support the continuation of critical City enterprise applications.

The scope of work for this project is to transition the procurement of all Oracle products from reseller DLT to a direct procurement from Oracle. This is a continuation of the same Oracle products and services we currently procure annually via DLT including the annual "Big Bill" maintenance and support contract.

A. The City currently uses Oracle products and services which are proprietary to Oracle and which are critical to the day-to-day City operations (ie. HR, procurement, etc.)

B. Benefits: Operational benefits to the procurement process; cost savings by eliminating reseller markups; and technology enhancements and upgrades can be readily implemented

2. Oracle is the proprietary owner of the products and services the City currently procures. As such, Oracle is the subject matter expert for this project. Oracle has the ability to provide continuity to the procurement of the goods and services the City requires as we transition the sourcing away from the reseller. there will be no impact to service delivery.

3. Oracle is the proprietary owner of the inventory of products the City procures for this project and has all the required expertise in-house that will satisfy the City's current and future needs. This will be a seamless transition from DLT to Oracle; once approval of a direct agreement with Oracle is in place a transition plan will be developed to

**DEPARTMENT OF PROCUREMENT SERVICES  
NON-COMPETITIVE REVIEW BOARD (NCRB) APPLICATION  
JUSTIFICATION FOR NON-COMPETITIVE PROCUREMENT WORKSHEET**

discontinue procurement through DLT and start the same services with Oracle.

4. A comprehensive list of the Oracle inventory currently purchased by the City is attached herein as Attachment Number One: List of Oracle Hardware, Software Products. Oracle also provides support for the system provided.

5. The City will not incur any transition cost and all legacy procurement services with DLT will be transitioned to Oracle. This transition is an operational benefit to the City.

6. Oracle owns its license, Software and Hardware, some of the services provided is identified below:

The Scope of this project will encompass the following high-level phases:

A. Initiation

- Current State Assessment
- Development of Future State Operational Process using Oracle
- Acknowledgment of receipt by Oracle of the City's T&Cs
- Presentation of the following to the Non-Competitive Review Board "NCRB" for approval to seek a sole source agreement with Oracle
- Procurement History: the background on this process and what it is used for, include a justification of how this need for a NCRB came about
- Estimated Cost
- Which department(s) use this process
- Schedule Requirements, unique qualification of the vendor, and the scope of services
- Exclusive or unique capability
- Funding line

B. Planning & Design

- If approved by the NCRB then:
  - i. The Oracle contract will be signed after a mutual acceptance of the City's T&Cs as an addendum to the Oracle T&Cs document
  - ii. A new operational process to begin procurement through Oracle will be designed jointly by AIS-IT and Oracle
  - iii. A transition plan will be developed to exit the relationship with DLT

C. Implementation

- Establish a date to begin the new procurement process through Oracle
- Execute the actions required to begin the new operational process including but not limited to:
  - Configuration of intake software to streamline procurement requests and renewals
- Execute the actions outlined in the transition plan to exit the relationship with DLT including but not limited to:
  - Forecasting renewal timelines and planning for divestiture from DLT's process

D. Training and Rollout to each impacted Department

- User training
- User acceptance
- Rollout

E. Transition to Support Team

- Knowledge transfer

Deliverables

The following will be delivered as part of the project:

- Standard Operating Procedures for the new procurement process

7. Oracle is the proprietary owner of the inventory of products the City currently procures and uses. There is no other entity that can offer the City better pricing for what is currently being provided by Oracle.

8. This is not a replacement procurement.

Subject: NCRB Application for Oracle for Hardware, Software, Maintenance and Support Services

---

The Department of Assets, Information and Services (AIS) has prepared answers to questions from NCRB pertaining to the NCRB application for **Hardware, Software, Maintenance and Support Services through Oracle America, Inc. ("Oracle")**.

After conducting a search for certified vendors, it was identified that the query did not yield other certified vendors that would supply software solutions that will meet the complexity of the City's systems outside of Oracle. Therefore, AIS and DoIT request that we seek a sole source in continuation of the same services currently provided by DLT; a direct purchase once approved. We seek to establish a multi-year contract with Oracle with optional extension terms to procure the hardware, software, support, and maintenance services required to operate critical applications central to the City's HR and Financial functions (among other business functions). We would likely seek continuous renewals of this contract at the expiration of the term. This request seeks to replace the current sourcing with a direct agreement with Oracle and remove dependency on a reseller.

This request seeks to replace the sourcing approach to procuring Oracle products and services, not the products themselves. As described above, we seek a direct agreement with Oracle to remove the cost and complexity associated with a reseller. We seek to continue procuring the same goods and services that we currently procure via DLT but through a direct agreement with

Oracle. The City is aware that products and services being sought are available under a contract the City has with CDW-G. The City has procured this service in the past from CDW-G, however it is a markup value compared to the option of procuring this service with Oracle.

a. Dell Contract (PO 51904)

Per Dell, we cannot procure Oracle Hardware or Oracle Software via our existing Dell Contract

b. CDW-G Contract (PO 33232)

Per CDW-G, we can procure Oracle hardware, software, & services via our existing CDW-G Contract

- i. Pg. 81 of the attached CDW-G Contract
- ii. Additionally, CDW-G mentioned that we used to procure Oracle hardware & Oracle software through CDW-G before we switched to DLT (a list of Oracle Purchases through CDW-G that was provided by CDW-G is attached)
- iii. In the terms of the existing MCA contract with CDW-G that the City obtains rights to seek services outside of CDW-G. It's cost effective and practical to procure the service through one vendor- Oracle.

Below are the answers to questions received by the NCRB in our previous meeting:

1. Explain why it's necessary to purchase Hardware from Oracle and if this equipment can be purchased through our existing Hardware contract.

We believe that the answer is that Oracle hardware products are required to support the existing infrastructure and that procuring them through a 3<sup>rd</sup> party would only add more costs for the City.

2. Confirm that AIS will look closely with the Law Department to ensure that we will be able to withdraw from any or part of the agreement that becomes unnecessary and or cause prohibitive.

AIS confirms that it will work to maintain flexibility to terminate orders under the agreement or the entire agreement when operationally or financially appropriate, which will include working with the Law Department to negotiate agreement terms in furtherance of this goal.

3. Confirm that AIS will look closely with the Law Department to ensure that the contract will include language that Oracle will participate to the degree requested by the city in all activities related to data transfer and transition including any impacts from changes to cloud-based storage of data.

AIS confirms that it will work with the Law Department to negotiate agreement terms that obligate Oracle to handle and transfer data in a manner that facilitates the City's transitioning to and from Oracle cloud-based data storage.

4. Please confirm that you will work closely with DPS to develop the contract structure including the contract lines for ordering in FMPS and that AIS will have a quote from Oracle that AIS has approved and that will match each release placed by AIS.

AIS IT will work with DPS to develop contract lines for ordering in FMPS that align to the contract structure negotiated with Oracle. AIS will review all quotes received from Oracle to validate releases prior to approval.”

## **SCOPE OF WORK**

**Prepared by City of Chicago Department of Assets, Information and Services**

**August 9, 2023**

**Revised: September 14, 2023**

### **ORACLE PRODUCTS AND SERVICES**

#### **1. INTRODUCTION AND BACKGROUND a. INTENT**

- i. The City of Chicago (“City”) seeks to enter into an agreement with Oracle to procure from a complete line of Oracle Corporation (“Oracle” or “Supplier”) Products, Services and Solutions (“Products and Services”) directly from Oracle;
- ii. The City seeks to establish a direct purchasing, sole source agreement for the acquisition of Oracle Products and Services; the categories listed herein of descriptive examples are to provide a general, non-inclusive, description of the categories required by the City;
- iii. All products offered must be new or like new, unused, latest design and technology;
- iv. By establishing an agreement with Oracle, the City seeks to end procurement of Oracle Products and Services via third-party and other resellers but will maintain the right to do so as required;
- v. The City reserves the right to add additional contractors, at the City’s sole discretion, in cases where required to satisfy the City’s needs or to meet competitive requirements for any project or work.

#### **b. OBJECTIVES**

- i. Provide a comprehensive noncompetitively solicited sole source agreement offering Oracle Products and Services to City;
- ii. Establish the Agreement as a Supplier’s primary offering to the City;
- iii. Achieve cost savings for the City through a direct agreement with the Supplier;
- iv. Reduce or remove the additional expenses associated with procuring these Products and Services via a third-party Reseller

#### **2. SCOPE OF WORK**

- a. Through this agreement, Oracle shall:
  - i. Represent, sell, renew and service all existing Oracle products and services currently in use by the City;
  - ii. Represent, sell, and service all Oracle Products and Services available including upgrades;

- iii. Have the resources to work with multiple entities at the same time; iv. Provide commercial hardware, software, services and solutions as ordered under this agreement;
- v. Perform or have service delivery partners that can provide consulting, assessment, design, integration, installation and management of Products and Services;
- vi. Perform a wide range of professional, technical support and engineering Products and Services to support the mission and objectives of City;
- vii. Provide maintenance support to Products and Services;
- viii. Provide project management support for each deliverable under the contract; ix. Provide project specific and overall contract performance reporting, as required.

### 3. PRODUCTS AND SERVICES REQUIRED

- a. **Oracle Products, Services and Solutions:** Supplier is to provide the broadest possible selection of Oracle Products, Services and Solutions they offer. The intent of this contract is to provide the City with products, services, and solutions to meet their various needs and replace the current third-party procurement channel with a direct purchasing agreement. The Supplier will provide the Products, Services and Solutions as defined below including but not limited to:
  - i. **Perpetual Licenses** – applications, database and options, business intelligent, middleware and any other perpetual license offered by Oracle.
  - ii. **Engineered Systems** – integrated software and hardware systems offered by Oracle.
  - iii. **Hardware, Servers, Storage and Networking** - any servers, storage and networking products offered by Oracle.
  - iv. **Cloud Services** – Software as a Service (SaaS), Platform as a Service (PaaS), and Infrastructure as a Service (IaaS) offered by Oracle.
  - v. **Consulting/Professional Services** – Consulting and integration services relating to Oracle products and services.
  - vi. **Technical Support Services and/or Maintenance Support Services** – telephone technical support, premier support for systems and any other support services available from Oracle for license and hardware.
  - vii. **Oracle Training and University Products** - Any related Oracle training including instructor lead classes and self-guided learning paths.
  - viii. **Financing Services**– Financing services for orders and solutions.

### 4. FACILITIES

- a. During this contract, the City may provide the Supplier’s personnel with adequate workspace for consultants and such other related facilities as may be required by Supplier to carry out its obligation enumerated herein.

**5. TRAINING**

- a. The Supplier shall provide a minimum of (to be determined for each project) to completely train City personnel in the use and care of the equipment.:

**6. ACCEPTANCE**

- a. **Perpetual Licenses** – Software is made available via a web link provided by the Licensor; there is no acceptance period for perpetual licenses.
- b. **Engineered Systems and Hardware** – Acceptance is upon delivery.
- c. **Cloud Services** – Cloud services are provisions via a web link provided by the cloud service provider; there is no acceptance period for cloud services.

**7. PERFORMANCE**

- a. It shall be Oracle’s responsibility to meet the proposed performance requirements. The City reserves the right to obtain services on the open market in the event the Supplier fails to perform, and any price differential will be charged against the Supplier.

**8. TRAINING**

- a. Oracle shall provide training services as needed, depending on the product or service purchased, to completely train the City personnel in the use and care of the equipment.

**9. MAINTENANCE**

- a. The Contractor shall provide for maintenance under this Contract upon acceptance of materials by the City.

I have reviewed the waiver request letter from Oracle. Based on the justification that the major components of the contract will involve Oracle's proprietary hardware, software, system maintenance, consulting and operating system support. A significant portion of the products and services which Oracle intends to provide to the City will be directly through Oracle employees. It is expected that there will be no or very limited subcontracting opportunities. The Department of Assets, Information and Services (AIS) supports Oracles request not to have any MBEWBE goals for this contract based on the justification they provided.

# Thank you for considering Oracle

July 31, 2023

City of Chicago  
Commissioner Sandra Blakemore  
Department of Assets, Information, and Services (AIS)  
2 North LaSell Street  
Chicago, Illinois 60602

Dear Ms. Blakemore,

Oracle would like to formally request a full waiver of MBE/WBE subcontracting participation goals and requirements for any resulting contract in connection with the Non-Competitive Review Board Application.

The City currently procures Oracle products primarily from a reseller DLT. The City now seeks to effectively transition its procurement of Oracle products by entering into a direct agreement with Oracle.

The major components of the proposed resultant contract involve Oracle's proprietary hardware, software, system maintenance, consulting, and operating system support. A significant portion of the products and services which Oracle intends to provide to the City are provided directly by Oracle, through its employees. Also, it is expected that there will be no or very limited subcontracting opportunities available under a resultant contract. For these reasons, Oracle respectfully requests that there be no stated MBE/WBE goals and requirements for any resulting procurement.

Thank you for your consideration of this request.

Sincerely,

Goods/services provided by this contract	The major component of this contract will be system maintenance, software, consulting, and operating system support
Justification of need to modify this contract.	<p>The City of Chicago currently procures Oracle products and services through software and hardware reseller DLT Solutions "DLT". The current state operational, invoicing and payment processes for procurement through DLT does not add value for the City because the vendor does not have standardized and streamlined processes.</p> <p>There is an opportunity to procure Oracle technology software and hardware directly from Oracle. The purpose of this project is to assess the viability of the direct purchase option and if it is feasible and beneficial for the City then the operational process will be transitioned.</p>
Impact of denial	The City will not be able to transition to a direct purchase to Oracle

Hi Bernie. The \$10 Million is the annual estimate so for a 3-year contract the spend would be \$30 Million.

Thanks

Just want to confirm, is the 10M for the term or is that the estimate for one year, if so we need to multiply that by the term plus the anticipated time extension.

I will update the documents accordingly once I receive your response.

Hi Raquel. I will contact Oracle to ask them to put the quote on their letterhead. Not sure when we will get this through.

Thanks

**INSURANCE REQUIREMENTS AND INSURANCE CERTIFICATE  
ORACLE**

**A. INSURANCE REQUIRED**

Contractor must provide and maintain at Contractor's own expense, during the term of the Agreement and during the time period following expiration if Contractor is required to return and perform any work, services or operations, the insurance coverages and requirements specified below, insuring all work, services, or operations related to the Agreement.

- 1) Workers Compensation and Employers Liability (Primary and Umbrella)  
Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work, services or operations under this Agreement and Employers Liability coverage with limits of not less than \$1,000,000 each accident; \$1,000,000 disease-policy limit; and \$1,000,000 disease each employee, or the full per occurrence limits of the policy, whichever is greater.

Contractor may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 2) Commercial General Liability (Primary and Umbrella)  
Commercial General Liability Insurance or equivalent must be maintained with limits of not less than \$1,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater, for bodily injury, personal injury, and property damage liability. Coverages must include but not be limited to the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City and other entities as required by City must be provided additional insured status with respect to liability arising out of Contractor's work, services or operations performed on behalf of the City. The City's additional insured status must apply to liability and defense of suits arising out of Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the City on an additional insured endorsement form acceptable to the City. The full policy limits and scope of protection also will apply to the City as an additional insured, even if they exceed the City's minimum limits required herein. Contractor's liability insurance must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Contractor may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

- 3) Automobile Liability (Primary and Umbrella)  
When any motor vehicles (owned, non-owned and hired) are used in connection with work, services, or operations to be performed, Automobile Liability Insurance must be maintained by the Contractor with limits of not less than \$1,000,000 per occurrence or the full per occurrence limits of the policy, whichever is greater, for bodily injury and property damage. The City is to be added as an additional insured on a primary, non-contributory basis.

Contractor may use a combination of primary and excess/umbrella policy/policies to satisfy the limits of liability required herein. The excess/umbrella policy/policies must provide the same coverages/follow form as the underlying policy/policies.

4) Excess/Umbrella

Excess/Umbrella Liability Insurance must be maintained with limits of not less than \$5,000,000 per occurrence, or the full per occurrence limits of the policy, whichever is greater. The policy/policies must provide the same coverages/follow form as the underlying Commercial General Liability, Automobile Liability, Employers Liability and Completed Operations coverage required herein and expressly provide that the excess or umbrella policy/policies will drop down over reduced and/or exhausted aggregate limit, if any, of the underlying insurance. The Excess/Umbrella policy/policies must be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

Contractor may use a combination of primary and excess/umbrella policies to satisfy the limits of liability required in sections A.1, A.2, A.3 and A.4 herein.

5) Cyber Liability

Cyber Liability must be maintained with limits of not less than \$100,000,000 for each occurrence or claim. Coverage must include but not be limited to network security and privacy liability including computer or network system attacks (liability arising from the loss or disclosure of confidential information), privacy breach response coverage and costs, regulatory liability including fines and penalties, denial or loss of service, introduction, implantation, and/or spread of malicious software code, unauthorized access to or use of computer systems, theft of data, and no exclusion/restriction for unencrypted portable devices/media may be on the policy. The City must be named as an additional insured and if policy contains an insured vs insured exclusion, the exclusion must be amended and not be applicable to the City.

6) Errors & Omissions/Professional Liability

When any system technicians/engineers, project/program administrators/managers, network consultants/designers, other electronic data processing (EDP) professionals including but not limited to system programmers, hardware and software designers/consultants, if applicable or any other professional consultants perform work, services, or operations in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$10,000,000. Coverage must include performance of or failure to perform EDP, performance of or failure to perform other computer services and failure of software product to perform the function for the purpose intended. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work, services, and operations on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

7) Valuable Papers

When any plans, designs, drawings, specifications, media, data, records, reports and other documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss

whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

7) Property

The Contractor is responsible for all loss or damage to City property including the City records at full replacement cost while in Contractor's care, custody, or control during storage. The City of Chicago is to be named as additional insured and loss payee to any property policy of Contractor.

The Contractor is responsible for all loss or damage to personal property (including materials, equipment, tools, and supplies) owned, rented, or used by Contractor.

**B. Additional Requirements**

Evidence of Insurance. Contractor must furnish the City, Chicago Department of Procurement Services, 121 N. LaSalle Street, Room 806, Chicago, IL. 60602, original certificates of insurance and additional insured endorsement, or other evidence of insurance, to be in force on the date of this Agreement, and renewal certificates of Insurance and endorsement, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Contractor must submit evidence of insurance prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate endorsement or other insurance evidence from Contractor its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Contractor must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Contractor for liabilities which may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

Failure to Maintain Insurance. Failure of the Contractor to comply with required coverage and terms and conditions outlined herein will not limit Consultant's liability or responsibility nor does it relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

Notice of Material Change, Cancellation or Non-Renewal. Contractor must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Consultant.

Waiver of Subrogation. Contractor hereby waives its rights and its insurer(s)' rights of and agrees to require their insurers to waive their rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City received a waiver of subrogation endorsement for Consultant's insurer(s).

Contractor's Insurance Primary. All insurance required of Contractor under this Agreement shall be endorsed to state that Contractor's insurance policy is primary and not contributory with any insurance carrier by the City.

No Limitation as to Contractor's Liabilities. The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

No Contribution by City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Contractor under this Agreement.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Contractor maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Joint Venture or Limited Liability Company. If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Contractor. If Contractor desires additional coverages, the Contractor will be responsible for the acquisition and cost.

Insurance required of Subcontractors. Contractor shall name the Subcontractor(s) as a named insured(s) under Consultant's insurance or Contractor will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Worker's Compensation and Employers Liability Insurance and when applicable Excess/Umbrella Liability Insurance with coverage at least as broad as outlined in Section A, Insurance Required. The limits of coverage will be determined by Contractor. Contractor shall determine if Subcontractor(s) must also provide any additional coverage or other coverage outlined in Section A, Insurance Required. Contractor is responsible for ensuring that each Subcontractor has named the City as an additional insured where required on an additional insured endorsement form acceptable to the City. Contractor is also responsible for ensuring that each Subcontractor has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Contractor must provide to the City certificates of insurance and additional insured endorsements or other evidence of

insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Subcontractor(s) to comply with required coverage and terms and conditions outlined herein will not limit Consultant's liability or responsibility.

City's Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Office maintains the right to modify, delete, alter, or change these requirements.

**SECTION V -- CERTIFICATIONS**

**A. COURT-ORDERED CHILD SUPPORT COMPLIANCE**

Under MCC Section 2-92-415, substantial owners of business entities that contract with the City must remain in compliance with their child support obligations throughout the contract's term.

Has any person who directly or indirectly owns 10% or more of the Disclosing Party been declared in arrearage on any child support obligations by any Illinois court of competent jurisdiction?

Yes     No     No person directly or indirectly owns 10% or more of the Disclosing Party.  
 If Yes, @ has the person entered into a court-approved agreement for payment of all support owed and is the person in compliance with that agreement?

Yes     No

**B. FURTHER CERTIFICATIONS**

1. [This paragraph 1 applies only if the Matter is a contract being handled by the City's Department of Procurement Services.] In the 5-year period preceding the date of this EDS, neither the Disclosing Party nor any Affiliated Entity [see definition in (5) below] has engaged, in connection with the performance of any public contract, the services of an integrity monitor, independent private sector inspector general, or integrity compliance consultant (i.e., an individual or entity with legal, auditing, investigative, or other similar skills, designated by a public agency to help the agency monitor the activity of specified agency vendors as well as help the vendors reform their business practices so they can be considered for agency contracts in the future, or continue with a contract in progress).

2. The Disclosing Party and its Affiliated Entities are not delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago, including, but not limited to, water and sewer charges, license fees, parking tickets, property taxes and sales taxes, nor is the Disclosing Party delinquent in the payment of any tax administered by the Illinois Department of Revenue.

3. The Disclosing Party and, if the Disclosing Party is a legal entity, all of those persons or entities identified in Section II(B)(1) of this EDS:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from any transactions by any federal, state or local unit of government;
- b. have not, during the 5 years before the date of this EDS, been convicted of a criminal offense, adjudged guilty, or had a civil judgment rendered against them in connection with: obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; a violation of federal or state antitrust statutes; fraud; embezzlement; theft; forgery; bribery; falsification or destruction of records; making false statements; or receiving stolen property;
- c. are not presently indicted for, or criminally or civilly charged by, a governmental entity (federal, state or local) with committing any of the offenses set forth in subparagraph (b) above;
- d. have not, during the 5 years before the date of this EDS, had one or more public transactions (federal, state or local) terminated for cause or default; and
- e. have not, during the 5 years before the date of this EDS, been convicted, adjudged guilty, or found liable in a civil proceeding, or in any criminal or civil action, including actions concerning environmental violations, instituted by the City or by the federal government, any state, or any other unit of local government.

4. The Disclosing Party understands and shall comply with the applicable requirements of MCC Chapters 2-56 (Inspector General) and 2-156 (Governmental Ethics).

5. Certifications (5), (6) and (7) concern:

- the Disclosing Party;
- any AContractor@ (meaning any contractor or subcontractor used by the Disclosing Party in connection with the Matter, including but not limited to all persons or legal entities disclosed under Section IV, ADisclosure of Subcontractors and Other Retained Parties@);
- any "Affiliated Entity" (meaning a person or entity that, directly or indirectly: controls the Disclosing Party, is controlled by the Disclosing Party, or is, with the Disclosing Party, under common control of another person or entity). Indicia of control include, without limitation: interlocking management or ownership; identity of interests among family members, shared facilities and equipment; common use of employees; or organization of a business entity following the ineligibility of a business entity to do business with federal or state or local government, including the City, using substantially the same management, ownership, or principals as the ineligible entity. With respect to Contractors, the term Affiliated Entity means a person or entity that directly or indirectly controls the Contractor, is controlled by it, or, with the Contractor, is under common control of another person or entity;
- any responsible official of the Disclosing Party, any Contractor or any Affiliated Entity or any other official, agent or employee of the Disclosing Party, any Contractor or any Affiliated Entity, acting pursuant to the direction or authorization of a responsible official of the Disclosing Party, any Contractor or any Affiliated Entity (collectively "Agents").

Neither the Disclosing Party, nor any Contractor, nor any Affiliated Entity of either the Disclosing Party or any Contractor, nor any Agents have, during the 5 years before the date of this EDS, or, with respect to a Contractor, an Affiliated Entity, or an Affiliated Entity of a Contractor during the 5 years before the date of such Contractor's or Affiliated Entity's contract or engagement in connection with the Matter:

- a. bribed or attempted to bribe, or been convicted or adjudged guilty of bribery or attempting to bribe, a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States of America, in that officer's or employee's official capacity;
- b. agreed or colluded with other bidders or prospective bidders, or been a party to any such agreement, or been convicted or adjudged guilty of agreement or collusion among bidders or prospective bidders, in restraint of freedom of competition by agreement to bid a fixed price or otherwise; or
- c. made an admission of such conduct described in subparagraph (a) or (b) above that is a matter of record, but have not been prosecuted for such conduct; or
- d. violated the provisions referenced in MCC Subsection 2-92-320(a)(4)(Contracts Requiring a Base Wage); (a)(5)(Debarment Regulations); or (a)(6)(Minimum Wage Ordinance).

6. Neither the Disclosing Party, nor any Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

7. Neither the Disclosing Party nor any Affiliated Entity is listed on a Sanctions List maintained by the United States Department of Commerce, State, or Treasury, or any successor federal agency.

8. [FOR APPLICANT ONLY] (i) Neither the Applicant nor any Acontrolling person@ [see MCC Chapter 1-23, Article I for applicability and defined terms] of the Applicant is currently indicted or charged with, or has admitted guilt of, or has ever been convicted of, or placed under supervision for, any criminal offense involving actual, attempted, or conspiracy to commit bribery, theft, fraud, forgery, perjury, dishonesty or deceit against an officer or employee of the City or any Asister agency@; and (ii) the Applicant understands and acknowledges that compliance with Article I is a continuing requirement for doing business with the City. NOTE: If MCC Chapter 1-23, Article I applies to the Applicant, that Article=s permanent compliance timeframe supersedes 5-year compliance timeframes in this Section V.

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management (ASAM@).

10. [FOR APPLICANT ONLY] The Applicant will obtain from any contractors/subcontractors hired or to be hired in connection with the Matter certifications equal in form and substance to those in Certifications (2) and (9) above and will not, without the prior written consent of the City, use any such

contractor/subcontractor that does not provide such certifications or that the Applicant has reason to believe has not provided or cannot provide truthful certifications.

11. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

Please see EDS Attachment 1

### C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)  
[ ] is [x] is not

a "financial institution" as defined in MCC Section 2-32-455(b).

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in MCC Chapter 2-32. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in MCC Chapter 2-32. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

**D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS**

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes  No  
No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes  No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City. Please see EDS Attachment 1

X 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

\_\_\_ 2. The Disclosing Party verifies that, as a result of conducting the search in step (1) above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

**NOTE: If the Matter is federally funded**, complete this Section VI. **If the Matter is not federally funded**, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

---

---

---

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

## B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

If the Matter is federally funded, federal regulations require the Applicant and all proposed subcontractors to submit the following information with their bids or in writing at the outset of negotiations.

Is the Disclosing Party the Applicant?

Yes  No

If AYes,@ answer the three questions below:

1. Have you developed and do you have on file affirmative action programs pursuant to applicable federal regulations? (See 41 CFR Part 60-2.)

Yes  No

2. Have you filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance Programs, or the Equal Employment Opportunity Commission all reports due under the applicable filing requirements?

Yes  No  Reports not required

3. Have you participated in any previous contracts or subcontracts subject to the equal opportunity clause?

Yes  No

If you checked ANo@ to question (1) or (2) above, please provide an explanation:

## SECTION VII -- FURTHER ACKNOWLEDGMENTS AND CERTIFICATION

The Disclosing Party understands and agrees that:

A. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

B. The City's Governmental Ethics Ordinance, MCC Chapter 2-156, imposes certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of this ordinance and a training program is available on line at [www.cityofchicago.org/Ethics](http://www.cityofchicago.org/Ethics), and may also be obtained from the City's Board of Ethics, 740 N. Sedgwick St., Suite 500, Chicago, IL 60610, (312) 744-9660. The Disclosing Party must comply fully with this ordinance.

C. If the City determines that any information provided in this EDS is false, incomplete or inaccurate, any contract or other agreement in connection with which it is submitted may be rescinded or be void or voidable, and the City may pursue any remedies under the contract or agreement (if not rescinded or void), at law, or in equity, including terminating the Disclosing Party's participation in the Matter and/or declining to allow the Disclosing Party to participate in other City transactions. Remedies at law for a false statement of material fact may include incarceration and an award to the City of treble damages.

D. It is the City's policy to make this document available to the public on its Internet site and/or upon request. Some or all of the information provided in, and appended to, this EDS may be made publicly available on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

E. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires. **NOTE:** With respect to Matters subject to MCC Chapter 1-23, Article I (imposing **PERMANENT INELIGIBILITY** for certain specified offenses), the information provided herein regarding eligibility must be kept current for a longer period, as required by MCC Chapter 1-23 and Section 2-154-020.

**CERTIFICATION**

Under penalty of perjury, the person\* signing below: (1) warrants that he/she is authorized to execute this EDS, and all applicable Appendices, on behalf of the Disclosing Party, and (2) warrants that all certifications and statements contained in this EDS, and all applicable Appendices, are true, accurate and complete as of the date furnished to the City.

## ATTACHMENT 1

### Additional Information in Response to City of Chicago Economic Disclosure Statement and Affidavit

#### Introduction

The EDS to which this Attachment 1 is attached is being submitted by Oracle America, Inc. ("Oracle"). Oracle hereby submits the following additional information as part of the EDS. This information supplements and/or clarifies (i) certain of Oracle's responses to the answers submitted in the EDS and (ii) certain representations requested to be made by Oracle in the EDS.

Oracle is the indirect, wholly-owned subsidiary of Oracle Corporation, a publicly traded corporation. All responses to the EDS are limited to: (a) the best of Oracle's knowledge and belief, (b) Oracle, its ultimate parent corporation, Oracle corporation, and the acts or omissions of any acquired companies of Oracle only after the dates of the acquisitions, and (c) matters which might impact Oracle's ability to provide services.

All responses are provided as of the date this EDS is signed; any required updates shall be provided when the next EDS is requested from Oracle. Any Oracle agreements or representations in the EDS to comply with the laws, regulations, codes or City of Chicago Ordinances (collectively, "laws") are made to the limited extent that such laws, by their terms, are expressly applicable to Oracle's delivery of services and impose obligations directly upon Oracle in its role as an information technology services provider. All requests for a certification, warranty, or affidavit shall be interpreted as a request for a representation.

Notwithstanding anything in the EDS or Oracle's responses thereto, Oracle does not, with the submission of this EDS, undertake any responsibilities or obligations to City of Chicago or any other persons or entities.

**2. Response to EDS Section II, B.2**

Oracle America, Inc. is an indirectly, wholly-owned subsidiary of Oracle Corporation, a public company. Oracle Corporation's material subsidiaries are listed in Exhibit 21.01 of its Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission on June 20, 2023 (<https://www.sec.gov/ix?doc=/Archives/edgar/data/0001341439/000095017023028914/orcl-20230531.htm>).

Based on a Schedule 13G/A filed with the U.S. Securities and Exchange Commission on February 10, 2023, Lawrence J. Ellison owns 42.7% of Oracle Corporation (<https://www.sec.gov/Archives/edgar/data/1341439/000119312523032688/d432392dsc13ga.htm>).

**3. Response to Section V – Certifications, B. (5)(6)&(7)**

Oracle's representations to B.(5)(6)(7) are limited to Oracle America Inc.

**4. Response to Section V – Certifications, B.10**

Oracle does not contemplate the use of subcontractors under this Matter. To the extent that subcontractors may be used, Oracle will confirm with the customer at that time any applicable subcontractor flow-downs.

**5. Response to Section V – Certifications, E.1**

As a clarification, Oracle America Inc. was established in 1986 and did not exist during the slavery era in the United States, is not a successor in interest to any entity that existed during such time, and therefore has no relevant records to search, or any pertinent information to disclose.

**6. Response to EDS Section VII, Further Acknowledgments and Certification, A**

Oracle is unable to certify to these statements. This EDS is being submitted by Oracle America, Inc. ("Oracle") in connection with a potential new agreement with the City. Any contractual provisions or requirements that may be binding or applicable to Oracle would be subject to mutual negotiation and acceptance by the parties. Oracle does not intend, nor does Oracle agree that this EDS in any way modifies the terms of any resultant contract awarded to Oracle. Also, any Oracle agreements or representations in the EDS to comply with the laws, regulations, codes or City of Chicago Ordinances (collectively, "laws") are made to the limited extent that such laws, by their terms, are expressly applicable to Oracle's delivery of services, and impose obligations directly upon Oracle in its role as an information technology services provider with respect to applicable services and products.

**7. Response to EDS Section VII, Further Acknowledgments and Certification, B**

Oracle only agrees to comply with provisions of the Ordinance that are expressly applicable to the Matter, Oracle's delivery of services and impose obligations directly upon Oracle in its role as an information technology services provider. Oracle has its own Oracle Code of Ethics and Compliance

available at <https://www.oracle.com/assets/cebc-176732.pdf> which are applicable to Oracle and its employees.

**8. Response to EDS Appendix A, Familial Relationships with Elected City Officials and Department Heads**

Oracle is unable to confirm whether any of its officers or directors have family members (or members of their households) who currently have a "familial relationship" with an elected city official or department head. Furthermore, as Oracle is a wholly owned subsidiary of Oracle Corporation, a publicly traded corporation, Oracle has no way of confirming whether any of Oracle Corporation's shareholders or officers and directors have family members (or members of their households) who currently have a "familial relationship" with an elected city official or department head.
