Justification for Non-Competitive Procurement

Made In Chicago Background

Under the direction of Mayor Daley, the Made In Chicago program was designed to provide exposure for manufacturing companies in the City and to tell the story of Chicago's thriving industrial base. The program promotes Chicago and participating companies in multiple ways which include; two exhibits, one that displays products made in Chicago at the entrance to McCormick Place; and another exhibit is set up at various trade shows; a printed book which describes each of the companies and their location; and we highlight these company profiles on the department's website. We feel that the program has been successful, not only on the City's promotional side, but for each of these companies as well. In 1999, there were 30 participating companies, today, there are 150+ companies.

(Please see more history attached)

Procurement History

The Department of Planning and Development commissioned a trade show display company, United Display, in 2000. The United Display Company designed and built the City's Made In Chicago display cases; they consulted the department on running the program, collection and management of the inventory of Chicago-made products and assistance with activities at local trade shows, including reconstructing our moveable Made In Chicago display.

In 2002, United Display was bought and absorbed by Sparks Exhibits and Environments to run the company’s Chicago office. The City extended the agreement to Sparks with their assurances that they would continue to provide the same services, at the same rates. The current agreement runs through May 2005. Unfortunately, in 2002, the former owner of United Display left Sparks Exhibits, and the company has not been able to meet the terms of the original agreement. They are in fact charging the department more money for a greatly inferior service, including:

- Costs have significantly increased for the same service as the previous year, especially for furniture rental and design services.
- New quotes include shipping charges for rental properties from Atlanta; the Chicago warehouse has closed
- Have not received a warehousing inventory of Made In Chicago products in over two years; our own inventory revealed mismanaged and damaged products
- Maintenance of the Made In Chicago permanent exhibit at
McCormick Place is unsatisfactory
• Contact with sales representative is unsatisfactory
• The Made In Chicago products were shipped to another vendor warehouse and the department is charged storage fees

In February of 2004, the department identified two local companies willing to partner to handle all of the original elements of the program. The companies are Exsel Exhibits and Nth Degree. Nth Degree is the installation and dismantle company which was subcontracted by United Display to construct the Made In Chicago display. Sparks Exhibits used another company and their knowledge of our booth layout was poor, as seen at the 2004 Flower and Garden Show, which resulted in additional costs.

We anticipate needing the new vendor(s) services for the following trade shows, NASFT (Fancy Food Show), NRA - National Restaurant Show and the All Candy Expo. We will immediately prepare an RFP for the 2005 fiscal year, hopefully for one vendor to meet the complete scope of services.

**Estimated Cost**

The estimated cost of the project is $80,000 for the balance of the 2004 fiscal year. The fund # is 100-08-4060-0140. This cost was estimated by previous years’ trade show budgets. It is difficult for the department to determine the exact cost of design and installation and dismantle for each trade show because show officials give the City free floor space which has not been sold to other exhibitors, and each year the space is different.

**Schedule Requirements**

The average time it takes to prepare exhibit layout, graphics, logistics and various order forms for electric, shipping, and set up is one month. Considering the time restraint, we chose this vendor from our file of vendors that send marketing material to the department.

**Other**

The Department of Planning and Development requires a trade show display vendor to do each of the following:

1. Design booth layout
2. Handle installation and dismantle of booth properties
3. Handle furniture rental
4. Handle shipping of all properties
5. Complete all show service documents
6. Print graphics
7. Warehouse/maintain inventory of all properties
8. Accept delivery of additional company product, sort, inventory and manage
9. Maintenance of Made In Chicago display at McCormick Place as well as rotate product on a quarterly basis.

As it is stated in the procurement history section of this document, all of the things listed here were once performed by our previous display company; that company no longer meets the departments requirements and from meetings and trade show site visits, it is apparent that Exsel Exhibits, Inc. can meet the needs of the department on a temporary basis.
MEMORANDUM
May 6, 2004

TO: Eric J. Griggs
    Chief Procurement Officer

FROM: Denise M. Casalino, P.E.
      Commissioner

RE: Exsel Exhibits Inc.
    No Stated Goal Contract Status

The Department of Planning and Development is requesting non-stated MBE and WBE goals for the above referenced contract. The nature of the services to be provided under this contract are such that neither direct or indirect subcontracting opportunities with MBE and WBE firms will be practical or cost effective.

Exsel Exhibits, Inc. will design, construct and manage a three part Made In Chicago Exhibit which will appear as a semi-permanent display at McCormick Place. Exsel Exhibits, Inc. will provide a full range of services for the Made In Chicago Program, including but not limited to the following:

- Design and production of graphics/signage
- Project management, including inventory, handling and set-up of Made In Chicago products, warehousing, follow-up and new product inclusion
- Installation and transfer of display to various sites
- Monthly site visits to maintain the exhibit and assure quality control; and quarterly product rotation

An important initiative for the Department of Planning and Development is working to heighten public awareness about products that are made in Chicago. In addition, we are partnering with several trade show organizations to co-sponsor a minority pavilion, to provide small minority-owned businesses exhibit space and exposure at various trade shows.

Job creation will not be a direct result of the Made In Chicago Exhibit but many of the companies that will participate are minority and women owned,
therefore, we anticipate that, many of the jobs that will be created as a result of the exhibit will be MBE and WBE.

We appreciate your assistance. If you need any additional information or have any questions, please contact Ellen O’Connor of my staff at 312-744-4133.

cc: Ellen O’Connor

March 25, 2004

Dear City of Chicago Certified Minority Business Enterprise:

On behalf of Mayor Richard M. Daley and Chief Procurement Officer, Eric J. Griggs, I would like to introduce you to an excellent opportunity to promote and grow your business.

The Department of Procurement Services and the Department of Planning and Development have established a partnership with the National Restaurant Association Restaurant, Hotel-Motel Show at McCormick Place on May 22-25, 2004. NRA, in collaboration with the MultiCultural Foodservice & Hospitality Alliance, will host a Minority Business Exchange Pavilion at the NRA show.

The pavilion will offer certified Minority Business Enterprises (MBE) an opportunity to showcase their products and services with exhibit space on the trade show floor. In addition, MFHA will coordinate “matchmaking” appointments with national restaurants, and the NRA will offer workshops and educational programs designed to help grow your business.

Enclosed please find an NRA 2004 Minority Business Exchange exhibit packet, which contains all the appropriate information and applications. We urge you to take advantage of this opportunity to network with professionals from the national and international foodservice and hospitality industry.

Please contact Eric Rude of the NRA at (312) 853-2537 with questions about trade show participation. If you have questions about the status of your MBE certification with the City of Chicago, please contact the Department of Procurement Services at (312) 742-0766.

Sincerely,

Denise M. Casalino, P.E.
Commissioner
Department of Planning and Development
SERVICES

- ExSel will assign one Account Executive, namely Deborah Kerrigan, and one Project Manager to support the City of Chicago's trade show program. At all times there will be someone available to assist the City of Chicago representatives.

- Upon receiving your current exhibit materials at our facility, ExSel will conduct a complete inventory and inspection. This includes all lighting, hardware, accessories, crates, etc. Our computerized inventory system tracks the condition and status of all your display materials. Graphics are also inventoried. Digital photographs of the exhibit and the individual graphics are taken to insure the accuracy of the graphics needed. We will provide you with a detailed spreadsheet of your materials upon completion of inspection.

- Graphics: our in-house department will produce graphics from your properly supplied artwork files. See attached information. Please allow 10-15 working days for graphic production. If less time is given, proofs are waived and rush charges may apply. There is no charge for the initial color proofs.

- Design Services: our in-house design department will create black and white line drawing layouts of exhibit components and electrical requirements, based on the space sizes provided, for all City of Chicago shows at no charge. If color renderings are required, then our design services are billed at $100 per hour.

- Per show services include:
  - Complete set up and inspection of the exhibit prior to shipment to include cleaning of client's carpet if applicable
  - Notification of any damages and estimates for any repairs needed. Exhibit to be repaired if necessary upon authorization and prior to any shipment.
  - Careful and accurate packing of your exhibit, graphics, and carpet if applicable
  - Shipment of the exhibit via your instructions
  - Tracking numbers sent to the designated City of Chicago representative
  - Call to the shipping company to confirm shipment has arrived
  - Return labels in every case
  - Return shipping arrangements scheduled
  - Complete set up and inspection of the exhibit, graphics and carpet if applicable upon return to ExSel.
  - Completion of all applicable show forms from a provided show kit.
  - Coordination of installation and dismantle services.
SHIPPING

- **Standard Service** - ExSel requires at least 3 weeks notice prior to the show. This allows for thorough inspection of your exhibit and at least one week for normal shipping delivery. We request a copy of your show schedule in order to better shipping rates and service. (Normal delivery time varies upon location of show)

- **Express Service** - If needed ExSel can prepare an exhibit within a 48-hour notice. However, City of Chicago waives the inspection procedure and may incur higher shipping costs depending on the location of the show.

- All shipments are tracked via computer and insured. The tracking number is faxed to the City of Chicago representative who ordered the exhibit.

- Roundtrip shipping can be billed directly to the City of Chicago or through ExSel. There is a 20% surcharge for all shipments billed through ExSel.

GENERAL PRICING INFORMATION

- Warehousing costs are based on the size of the crates/cases and will be determined upon receipt and inspection of your properties.

- Production of graphics assumes that digital artwork provided is properly formatted for output. Design time necessary to prepare artwork is billed at $100 per hour.

- The initial inspection and inventory of the exhibit material is billed at $55/hr. Upon receipt and review of the materials, a quote reflecting the accuracy of time spent will be forwarded for your approval.

- There is an in/out charge each time an exhibit leaves ExSel. The fee is $55 per hour and total cost varies depending on the size of the exhibit. This fee includes the complete setup and inspection of the exhibit, graphics and any carpet prior to shipment and upon its return to ExSel. This fee does not apply to rental materials.

- Freight is billed directly to ExSel or the City of Chicago upon request.

- We will complete and submit all necessary show service forms upon receipt of your show kit using a City of Chicago provided credit card or check. Labor for completion is billed at $55 per hour. If ExSel provides payment for show services, a 20% surcharge is added to the cost of each service ordered. We will provide the City of Chicago with a detailed spreadsheet for each show indicating the costs involved ranging from show services to shipping. These costs will be reconciled upon final invoicing from the vendors.
- ExSel prides itself on maintaining long-term relationships with quality vendors. Our vendors provide us with the best possible pricing, which is passed on to our clients. Some services, which may be subcontracted, include: furniture, audio-visual, carpet/pad, and I&D. A fee of 20% of the total cost of these services is charged for coordination.

- ExSel will supervise union labor to install and dismantle the City of Chicago exhibits. Supervisory fees are $65 per hour straight time (Monday-Friday, 8-5 p.m.), $97.50 per hour for over time (5 p.m.-12 p.m. Monday-Friday and all day Saturday) and $130 per hour for double time (12 p.m.-8 a.m., all day Sunday). We will coordinate installation and dismantling services with our preferred nationwide independent contractor, Nth Degree. A fee of 20% of the cost of labor is charged. If you prefer to be billed directly for I&D, we can make these arrangements.

- ExSel can provide destruction services for any part of your exhibit and/or materials upon your request. An invoice for this service would reflect actual time and materials. ExSel can also serve as a broker in selling any part of your exhibit and/or materials upon request.

**SPECIFIC PRICING INFORMATION**

- Movement of all City of Chicago exhibit properties (based on existing inventory list provided)
  -(1) 48’ Semi Truckload or greater of freight from Northland Warehouse in Round Lake, IL, to ExSel Exhibits, Inc.’s offsite warehouse facility in Elk Grove Village, IL: $375.00. If the driver needs to assist, there is an additional $150.00 charge.

- Storage Fees per Quarter will be based on total cubic feet once all materials have been inventoried. Our current rate is $0.18 per cubic foot per month.

- Installation and Dismantle of the City of Chicago’s exhibits at the following shows for 2004: National Restaurant Association, Fancy Food, and All Candy Expo.

- Completion of all show service forms is billed at $55.00 per hour with a 2 hour minimum. In addition, if the billing for services is contracted by ExSel and charged to our account, there is a 20% mark-up on the listed price. If ExSel completes all forms and services and they are billed to your account, then the mark-up is saved. $110.00 minimum charge + 20% mark-up on services if applicable.

- Initial inspection and inventory of all exhibit materials is billed at $55.00 per hour.
ExSel Exhibits, Inc. will perform quarterly maintenance to the "Made In Chicago" permanent display at McCormick Place to include, but not limited to: repair/replacement of lighting, replacement of graphics, change out of product as requested. This maintenance will be billed on a time and materials basis (hourly rate is $55/per hour with a 4 hour minimum), and the City of Chicago will receive an estimate for approval prior to any repairs/replacements.

ExSel Exhibits, Inc. will receive and inventory any product sent to our warehouse facilities by the City of Chicago. We request an original manifest in order to ensure proper receipt of all items sent to ExSel. A handling fee will be charged.

BILLING

- ExSel will provide an itemized invoice of all the services provided and/or components purchased. Prior to production of graphics, or repair damage to the exhibits, a quote will be provided for your approval.

- Warehousing/storage is billed every 3 months. Payment is due within 30 days.

- In/Out charges are billed upon the return inspection of the exhibit. Payment is due within 30 days.

SUMMARY

ExSel Exhibits, Inc. prides itself in its superior attention to the needs of our clients. We are a team oriented, perfection driven, hardworking company built on strong work ethics. We believe in supporting our clients' projects, ideas and goals and providing them with the best possible service.

ExSel has distributed the Nimlok brand for 19 years with confidence and pride. The Nimlok product has revolutionized the design and look of portable and custom exhibits while our expert design staff has produced creative and innovative graphics to display your company message. With forward thinking designers and technology, ExSel is on the cutting edge of exhibits.

We welcome the opportunity to store and manage your trade show materials. We are confident that we will provide you with the most thorough service. Thank you for the opportunity to quote this project.
COMPANY OVERVIEW

- ExSel Exhibits, Inc. has been in business for 19 years.

- Our primary focus has been to represent and distribute the Nimlok product lines as well as serve as a full service exhibit house.

- ExSel Exhibits is the leading Nimlok distributor nationwide. Distributors are located in 45 countries worldwide.

FACILITIES

- ExSel is located in Niles, IL - 20 miles north of McCormick place and central to many exhibition halls nationwide. We store exhibit materials on site and off site in our temperature controlled 86,000 sq. ft. warehouse.

- For your convenience, exhibit components are manufactured on the premises within the Nimlok U.S. manufacturing headquarters.

- Repairs and maintenance to Nimlok, custom or other exhibit brands are done in-house with an expert staff of carpenters and warehouse supervisors.

- Graphics are produced on-site. We specialize in inkjet, vinyl, reflective and translucent graphics of almost any size. We can also provide overhead banners, dimensional signs, and photographic images.

SYSTEMS/PROCEDURES

- ExSel is meticulous in our ordering and shipping procedures. All orders are sent through our project manager who oversees the job from start to finish. All jobs are thoroughly inspected for quality, accuracy, and timeliness. All shipments are tracked and insured.

- Nimlok is ISO 9001 certified.
IMPORANT: PLEASE READ AND FOLLOW THE INSTRUCTIONS FOR COMPLETING THE PROJECT CHECKLIST AND CONTACT THE APPROPRIATE TEAM LEADER IF YOU HAVE ANY FURTHER QUESTIONS. ALL INFORMATION SHOULD BE COMPLETED INCLUDING THE SUPPLEMENTAL CHECKLIST REQUIRED BY THE SPECIFIC CPAC TEAM. ATTACH ALL REQUIRED MATERIALS AND SUBMIT TO THE DESIGNATED CPAC TEAM CONTACT PERSON FOR HANDLING.
