JUSTIFICATION FOR NON-COMPETITIVE PROCUREMENT

COMPLETE THIS SECTION IF NEW CONTRACT(S)
For contract(s) in this request, answer applicable questions in each of the 4 major subject areas below in accordance with the Instructions for Preparation of Non-Competitive Procurement Form on the reverse side.

Request that negotiations be conducted only with Robotic FX, INC for the product and/or services described
herein.
This is a request for: (One-Time Contract per Requisition # ________ copy attached) or X Term Agreement
or ___ Delegate Agency (Check one). If Delegate Agency, this request is for "blanket approval" of all contracts within the
(Attach List) Pre-Assigned Specification No. __________
Pre-Assigned Contract No. __________

COMPLETE THIS SECTION IF AMENDMENT OR MODIFICATION TO CONTRACT
Describe in detail the change in terms of dollars, time period, scope of services, etc., its relationship to the original contract
and the specific reasons for the change. Indicate both the original and the adjusted contract amount and/or expiration date
with this change, as applicable. Attach copy of all supporting documents. Request approval for a contract amendment or
modification to the following:

Contract #: ___________________ Company or Agency Name: ___________________
Specification #: ___________________ Contract or Program Description: ___________________
Mod #: ___________________ (Attach List, if multiple)

Originator Name Telephone Signature Department Date

Approve SEE ATTACHED in each box below if additional space needed:

APPROVED BY: Michael Schmid 6/4/07 Board Chairperson 7/26/07
Date:    July 24, 2007

To:      Contract Administration
         Department of Procurement Services

From:    Non-Competitive Procurement Review Board

Originated By:  Mark J. Hands
                Managing Deputy Procurement Officer
                Department of Procurement Services

Re:      Description:  Robotic FX, Inc.
         Requisition No.:  31704 & 34290
         Specification No.:  54507
         Requesting Department:  Police

The Non-Competitive Procurement Review Board has reviewed the submittal
from the Chicago Police Department dated July 19, 2007. After reviewing the
attached documentation, this request has been approved in the amount of
$484,988 over a three year period (with 2 one year options) for the initial
purchase of two Robotic FX Negotiators. The two Robotic FX Negotiators will
give the Police the ability to respond to hazardous materials and WMD incidents.

The funding has been provided by 2005 Department of Homeland Security UASI
grant funding which expires March 31, 2008.

The Non-Competitive Procurement Review Board approved this request 4-0.
However, the Board did request additional information. The additional
information included the following:

○ A written comparison of the Remotech robot and the Robotic FX
  Negotiator functionality
○ A copy of the Grant Extension Agreement until March 2008
○ Copy of the Illinois State Police Contract Terms and Conditions (if any)
○ Written explanation of how first responders need ability to work with
  standard emergency equipment
○ Verification of total contract value over five year period
○ Compliance Plan
○ Definitions of OCU and OC Sprayer

Approved By:  

Mark J. Hands
Managing Deputy Procurement Officer
Robotic FX Negotiator

PROCUREMENT HISTORY (INCLUDING FUTURE PROCUREMENT OBJECTIVES)

1. Describe the requirement and how it evolved from initial planning to its status.

As the Critical Incident Response Program has evolved in the post-911 world the need for a police capability to respond to hazardous materials and WMD incidents has manifested itself. At the same time, technology has advanced to the point where chemical monitoring of potentially hazardous environments can be done remotely by use of specialized robots which carry chemical, biological and radiological detection equipment.

Examining the available resources for this purpose has identified the Robotic FX Negotiator as the most capable and lowest cost solution to fill this need. This has been recognized not only by the Chicago Police Department, but by the Illinois State Police which has purchased the Robotic FX Negotiator and has several units in service, both with the State Police and ILEAS units (Illinois Law Enforcement Alarm System). The need to acquire the Robotic FX Negotiator is thus further demonstrated by the need to be compatible and similarly equipped as other units within ILEAS.

2. Is this a first time requirement or a continuation of previous procurement from the same source? If so, explain the procurement history.

There has been one previous purchase of this equipment in 2004 via an Operational Emergency.

3. Explain attempts made to competitively bid the requirement. (Attach copy of notices and list of sources contacted)

See Procurement History Question 1.

4. Describe all research done to find other sources. (List other cities contacted, companies in the industry contacted, professional organizations, periodicals and other publications used)

See Procurement History Question 1

5. Explain future procurement objectives. Is this a one-time request or will future requests be made for doing business with the same source?

The need envisioned at this time is for two Robotic FX Negotiators capable of accomplishing the identified mission of these two units. At this time future requests cannot be determined, as it depends on the specific mission and funding of the department.

6. Explain whether or not future competitive bidding is possible. If not, why not?

All depends on the technology of this industry.
1. What is the estimated cost for this requirement (or for each contract, if multiple awards contemplated)? What is the funding source? **Funding has been provided by 2005 Department of Homeland Security UASI grant funding. This funding expires on March 31, 2008.**

2. What is the estimated cost by fiscal year, if the job project or program covers multiple years?
   D/N/A

3. Explain the basis for estimating the cost and what assumptions were made and/or data used (ie. Budgeted amount, previous contract price, current catalog or cost proposal from firms solicited, engineering or in-house estimate, etc). Per attached quote which has been approved by the Department.

4. Explain whether the proposed Contractor or the City has a substantial dollar investment in original design, tooling or other factors which would be duplicated at City expense if another source was considered. Describe cost savings or other measurable benefits to the City which may be achieved.
   D/N/A

5. Explain what negotiation of price has occurred or will occur. Detail why the estimated cost is deemed reasonable.
   D/N/A
SCHEDULE REQUIREMENTS “SCHEDULE REQUIREMENTS”

1. Explain how the schedule was developed and at what point the specific dates were known.
   D/N/A

2. Is lack of drawings and/or specifications a constraining factor to competitive bidding? If so, why is the proposed Contractor the only person or firm able to perform under these circumstances? Why are the drawings and specifications lacking? What is the lead time required to get drawings and specifications suitable for competition? If lack of drawings and specifications is not a constraining factor to competitive bidding, explain why only one person or firm can meet the required schedule.
   D/N/A

3. Outline the required schedule by delivery or completion dates and explain the reasons why the schedule is critical.
   This UASI related equipment is part of the terror protection initiatives for both O’Hare Airport and the City proper, so delivery and putting into service is vital to the City.

4. Describe in detail what impact delays for competitive bidding would have on City operations, programs, costs and budgeted funds.
   This cannot be competitively bid. The impact on operations would be the inability to protect the City in this post-911 environment to the optimum.
EXCLUSIVE OR UNIQUE CAPABILITY “EXCLUSIVE OR UNIQUE CAPABILITY”

1. If contemplating hiring a person or firm as a Professional Service Consultant, explain in detail what professional skills, expertise, qualifications, other factors make this person or firm exclusively or uniquely qualified for the project. Attach copy of cost proposal and scope of services. 
   D/N/A

2. Does the proposed firm have personnel considered unquestionably predominant in the particular field? 
   They are unique in the ability to provide this Sole Source piece of equipment.

3. What prior experience of a highly specialized nature does the person or firm exclusively possess that is vital to the job, project or program?
   D/N/A

4. What technical facilities or test equipment does the person or firm exclusively possess of a highly specialized nature which is vital to the job? 
   D/N/A

5. What other capabilities and/or capacity does the proposed firm possess which is necessary for the specific job, project or program which make them the only source who can perform the work within the required time schedule without unreasonable costs to the City? 
   See Number 3 Above.

6. If procuring products or equipment, describe the intended use and explain any exclusive or unique capabilities, features and/or functions the items have which no other brands or models, etc. possess. Is compatibility with existing equipment critical from an operational standpoint? Explain why. 
   See Procurement History Question Number 1.

7. Is competition precluded because of the existence of patent rights, copyrights, trade secrets, technical data, or other proprietary data? Attach documentation verifying such.

8. If procuring replacement parts and/or maintenance services, explain whether or not replacement parts and/or services can be obtained from any other sources? If not, is the proposed firm the only authorized or exclusive dealer/distributor and/or service center? If so, attach letter from manufacturer. 
   D/N/A
MBE/WBE COMPLIANCE PLAN

1. All submissions must contain detailed information about how the proposed firm will comply with the requirements of the City's Minority and Women Owned Business program. All submissions must include a complete C-1 and D-1 form, which is available on the Procurement Service page on the City's intranet site.

   Compliance is being negotiated at the present time.

OTHER "OTHER"

1. Explain other related considerations and attach all applicable supporting documents (an approved Information Technology Strategy Committee (ITSC) form, an approved Request for Individual Contract Services form, etc.)

REVIEW AND APPROVAL "REVIEW AND APPROVAL"

This form must be signed by both the Originator of the request and approved by the Department Head or authorized designee. After review and final disposition from the Board, this form will be stamped to indicate the final disposition and signed by the Chairperson of the Board Head or authorized designee. After
DPS PROJECT CHECKLIST

IMPORTANT: PLEASE READ AND FOLLOW THE INSTRUCTIONS FOR COMPLETING THE PROJECT CHECKLIST AND CONTACT THE APPROPRIATE UNIT MANAGER IF YOU HAVE ANY FURTHER QUESTIONS. Scope of Work
Robotic FX Negotiator

General Scope of Work

The contractor will provide the City of Chicago with Robotic FX Negotiator robots and related items.

Locations

All items under this contract will be delivered at the contractor's expense to the location(s) requested by the Department.

Site Visits/ Pre-Bid Meetings

DNA

Contractor Qualifications

Contractor must provide all Robotic brand robots as related equipment and services. The contractor must be approved by Robotic FX as a distributor and maintenance provider for these units.

Employee Qualifications

DNA

Performance Standards

Compensation and Increases

Working Hours

Work is to be completed at the contractor's facility during hours determined by the contractor.

Contract Terms and Extensions
The terms of the contract will be for the initial purchase with additional purchasing authorized for a period of five years.

**Additional Devices/Upgrade**

For the life of the contract, the City may purchase additional FX Negotiators and accessories as allowed by future Department of Homeland Security Urban Area Security Initiatives (UASI) funding. The City will be offered the latest technological devices.

**MBE/WBE/DBE Compliance**

Negotiations will be conducted.

**User Department Contacts**

The contractor can contact the below listed person with any issues:

Lt. Joe Serb  
Critical Incident Response Program Coordinator  
Special Operations Section  
3340 W. Fillmore  
Chicago, Illinois  60624  
312 746-7150  
Joseph.Serb@ChicagoPolice.org

\ Insurance and Safety

DNA

**Price Lists/ Catalogs**

DNA

**Warranty/Guarantee**

Robotic FX will service all normal “wear and tear” on the robots, OCU and batteries for one year. Coverage for accessory items is an additional charge. Any abuse deemed “excessive” by robotic FX, Inc. will not be covered under the terms of this agreement.

**Diagrams/Technical Drawings**
DNA

Technical Standards

The original order for this item will consist of two Robotic FX Negotiator robots equipped as listed on attached specification sheet. Future purchases may be ordered with other configurations.
Detailed Specification
Robot must have the following characteristics and capabilities:

1. **Telemetry.** Telemetry is required and is the ability for a robot and controller to communicate with one another bi-directionally. Robots with telemetry send data in both directions. Telemetry is necessary for reliability and safety. Telemetry allows the robot's battery to be displayed on the OCU. On a more sophisticated level, telemetry is required when robots are equipped with a weapons platform. For example an OC Sprayer, Taser, Disrupter or other forms of weaponry require safety features that only telemetry can provide.

2. **Video.** Robot must include a standard drive camera, infrared drive camera, rear-fixed day/night camera and pan/tilt day/night camera with continuous 360 degree pan and 90 degree tilt. All cameras must be water tight and ruggedized.

3. **Stair Climbing.** Robot must be able to approach and climb up and down metal stairs (45 degree incline minimum). Robot must also be able to right itself if turned on its back.

4. **Audio.** 2-way, digitally encrypted audio communication between the robot and OCU is required.

5. **Upgradeability.** The robotic system must be upgradeable with plug & play payloads. Possible upgrades will include Pan & Tilt Taser, Mini-Disruptor (not recoilless) and an EOD Arm.

6. **Batteries.** The robot must run for 3 to 6 hours without having to change or recharge batteries. Battery status must be indicated on the OCU. Must have the ability to recharge used batteries within 45 to 90 minutes.

7. **Range/Distance.** Range must be at least 1,000 feet, line of sight, with reasonable reception indoors. Optional long range whip antennas for longer distances must be available.

8. **Durability.** The robot must have the ability to be re-used without significant degradation or downtime. Service agreement must be included covering the cost of repair related to all normal "wear and tear" on the Robot, OCU and Batteries for one year.

9. **Weight/Size.** Large enough to approach and climb stairs effectively, but small enough to drive under a truck or SUV and lightweight enough (no more than 35 lbs.) so one (1) person can easily pickup and carry the robot.

10. **Environment.** Robot must be able to operate in all types of weather conditions such as rain, snow, heat or cold.
11. **Self-Contained Case with Charger.** Storage/travel case must be water resistant and easily and safely store the Robot, OCU, up to four (4) spare batteries, and associated components. An internal battery charging system must be included to charge and maintain the robot, OCU and spare batteries while not being used. The case will include external LED’s to indicate the charge status of each battery stored in the case including the robot and OCU.

12. **Non-Lethal Weapon.** An OC sprayer attachment is required that is capable of dispensing continuous or short burst amounts of OC (pepper) spray. All sprayer control must be accomplished via the OCU. Both OC and Inert refills canisters are to be included.

13. **Haz-Mat Sensor Array.** The robot must be equipped with Chemical, Gas and Radiation Detection. The radiation detector must measure alpha, beta, gamma, and x-radiation (in mR/hr). The Chemical Sensor must simultaneously sample the presence of blood, blister, and nerve agents. The gas monitor should be a PID (Photoionization Detector) with five internal gas sensors (O₂, LEL, VOC, and two toxic gas sensors). All sensor data must be displayed on the OCU in easy to read text format. An “auto-alert” feature is required that automatically notifies the operator in the event that potentially dangerous levels of chemicals, gas and/or radiation are present. Sensors must be able to be easily removed from the robot and used as handheld sensors.

NOTICE OF GRANT AGREEMENT

Part I - Notice of Grant Award to the City of Chicago, Illinois

This Grant Agreement is made and entered into and between the Illinois Emergency Management Agency (Grantor), 110 East Adams Street, Springfield, Illinois 62701-1109, and the City of Chicago, Illinois, through the Office of Emergency Management and Communications (Grantee), 121 North LaSalle Street, Chicago, Illinois 60602.

WHEREAS this Grant is to utilize funds from the Department of Homeland Security (DHS) Fiscal Year 2005 Appropriation for the Urban Area Security Initiative (UASI) (CFDA #97.008) to continue to develop and enhance the UASI program for the City of Chicago.

THEREFORE, the Grantor is hereby making available to the Grantee the amount not exceeding $22,465,000 for the period from the date of final execution to December 31, 2006. The Grantee hereby agrees to use the funds provided under the agreement for the purposes set forth herein and agrees to comply with all terms and conditions of this agreement. This period of award may be amended if there is a delay in the release of these funds from the Federal Government.

It is agreed between the parties, that the agreement, as written, is the full and complete agreement between the parties and that there are no oral agreements or understanding between the parties other than what has been reduced to writing herein.

This Grant Agreement and Attachments constitute the entire agreement between the parties. Each budget detail worksheet submitted by the Grantee and approved by the Grantor as an authorized expenditure of this Grant shall be considered an attachment of this Grant Agreement.

Part II - Term

The term of this Grant Agreement shall be from the date of final execution by the Grantor through December 31, 2006.

2005 City of Chicago
Urban Area Security Initiative
Page 1 of 9
Part III - Scope of Work

The scope of this grant includes: the enhancement of a public safety information system (Studio 1A), equipping first responder vehicles with wireless computers with voice/text/image/video data capabilities, conducting training of ODP-approved courses, conducting the required IED exercise, the continuation of an Urban Area-wide interoperable communications system to include transition City departments to common UHF frequencies, assessment of key critical infrastructure with recommendations for hardening of selected sites, equipping the City's first responders, and an allowance for management and administration of the grant. The Grantee budget detail worksheet and narrative is provided in Attachment A.

Part IV - Compensation Amount

The total compensation and reimbursement payable by the Grantor to the Grantee shall not exceed the sum of $22,465,000.

Part V - Terms and Conditions

FISCAL FUNDING: The Grantor's obligations hereunder shall cease immediately, without penalty or further payment being required, in any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such obligation or DHS fails to provide the funds. The Grantor shall give the Grantee notice of such termination for funding as soon as practicable after Grantor becomes aware of the failure of funding. Grantee's obligation to perform shall cease upon notice by Agency of lack of appropriated funds.

METHOD OF COMPENSATION: The method of compensation shall be reimbursement in accordance with the invoice voucher procedures of the Office of the State of Illinois Comptroller. The Grantee agrees to maintain appropriate records of actual costs incurred and to submit expenditure information to the Grantor. No costs eligible under this agreement shall be incurred after December 31, 2006.

ACCOUNTING REQUIREMENTS: The Grantee shall maintain effective control and accountability over all funds, equipment, property, and other assets under the Grant Agreement as required by the Grantor. The Grantee shall keep records sufficient to permit the tracing of funds to ensure that expenditures are made in accordance with this Grant Agreement.

REPORTS: The Grantee shall submit a semi-annual programmatic activity narrative and financial report called the Bi-Annual Strategy Implementation Report (BSIR) to the Grantor every January 15 and July 15 throughout the performance period ending December 31, 2006. The financial report (BSIR) must include the amount of funding received, obligated and expended every December 31 (for the January 15 report) and June 30 (for the July 31 report). Noncompliance of the reporting requirements may be cause to terminate this Agreement.

2005 City of Chicago
Urban Area Security Initiative
Page 2 of 9
AUDITS AND INSPECTIONS: The Grantee will, as often as deemed necessary by the Grantor, DHS or any of their duly authorized representatives, permit the Grantor, DHS or any of their duly authorized representatives to have full access to and the right to examine any pertinent books, documents, papers and records of the Grantee involving transactions related to this grant agreement for three years from the date of submission of the final expenditure report or until related audit findings have been resolved, whichever is later. The Grantee certifies that all audits submitted under the provisions of Office of Management and Budget Circulars A-128 or A-133 have been approved by the Grantor. The Grantee acknowledges that these are federal pass-through funds that must be accounted for in the jurisdiction’s Single Audit under the Single Audit Act of 1996, if required.

MODIFICATION AND AMENDMENT OF THE GRANT: This grant agreement is subject to revision as follows:

A. Modifications may be required because of changes in State or Federal laws or regulations as determined by the Grantor. Any such required modification shall be incorporated into and will be part of this Agreement. The Grantor shall notify the Grantee of any pending implementation of or proposed amendment to such regulations before a modification is made to the Agreement.

B. Modifications may be made upon written agreement of both Grantor and Grantee.

TERMINATION FOR CONVENIENCE: This agreement may be terminated in whole or in part by the Grantor for its convenience, provided that, prior to termination, the Grantee is given: 1) not less than ten (10) calendar days written notice by certified mail, return receipt requested, of the Grantor’s intent to terminate, and 2) an opportunity for consultation with the Grantor prior to termination. In the event of partial or complete termination of this agreement pursuant to this paragraph, an equitable adjustment of costs shall be paid to the Grantee for expenses incurred under this agreement prior to termination.

TERMINATION FOR BREACH OR OTHER CAUSE: The Grantor may terminate this agreement without penalty to the Grantor or further payment required in the event of:

A. Any breach of this agreement which, if it is susceptible of being cured, is not cured within 15 calendar days after receipt of the Grantor’s notice of breach to the Grantee.

B. Material misrepresentation or falsification of any information provided by the Grantee in the course of any dealing between the parties or between the Grantee and any State Agency.

2005 City of Chicago
Urban Area Security Initiative
Page 3 of 9
Grantee’s failure to comply with any one of the terms of this Grant Agreement shall be cause for
the Grantor to seek recovery of all or part of the grant proceeds.

RETENTION OF PROPERTY RECORDS: Grantee agrees to maintain records for equipment,
non-expendable personal property, and real property for a period of three years from the date of
the completion of the project. If any litigation, claim, or audit is started before the expiration of
the three-year period, the records shall be retained until all litigation, claims, or audit findings
involving the records have been resolved.

NON-DISCRIMINATION: In carrying out the program, the Grantee shall not discriminate
against any employee or applicant for employment because of race, color, religion, sex, national
origin, ancestry, age, physical or mental handicap unrelated to ability, marital status, or
unfavorable discharge from military service. The Grantee shall take affirmative action to ensure
that applicants for employment are employed, and that employees are treated during
employment, without regard to their race, color, religion, sex, national origin, ancestry, age,
physical or mental handicap unrelated to ability, marital status, or unfavorable discharge from
military service. Such action shall include, but not be limited to, the following: employment,
upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination;
rates of pay or other forms of compensation; and selection for training; including apprenticeship.
The Grantee shall post in conspicuous places, available to employees and applicants for
employment, notices to be provided by the Government setting forth the provisions of this non-
discrimination clause.

SEVERABILITY CLAUSE: If any provision under the Grant Agreement or its application to
any person of circumstance is held invalid by any court of competent jurisdiction, this invalidity
does not affect any other provision or its application of the Grant Agreement which can be given
effect without the invalid provision or application.

DEBARMENT: The Grantee certifies neither it nor its principals is presently debarred,
suspended, proposed for debarment, declared ineligible, or voluntarily excluded from
participation in the agreement by any Federal Agency or department.

WORKER’S COMPENSATION INSURANCE, SOCIAL SECURITY, RETIREMENT AND
HEALTH INSURANCE BENEFITS, AND TAXES: The Grantee shall provide worker’s
compensation insurance where the same is required, and shall accept full responsibility for the
payment of unemployment insurance, premiums for worker’s compensation, social security and
retirement and health insurance benefits, as well as all income tax deductions and any other taxes
or payroll deductions required by law for employees of the Grantee who are performing services
specified by the grant agreement.

WAIVERS: No waiver of any condition of this grant agreement may be effective unless in
writing from the Director of the Grantor.

2005 City of Chicago
Urban Area Security Initiative
Page 4 of 9
Part VI - Assurances

The Grantee assures that no official or employee of the Grantee who is authorized in the Grantee's official capacity to negotiate, make, accept, or approve, or to take part in such decisions regarding a contract for acquisition/development of property in connection with this agreement, shall have any financial or other personal interest in any such contract for the acquisition/development.

The Grantee will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

The Grantee will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

The Grantee will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

The Grantee will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

Part VII - Certification

The Grantee certifies that it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois, nor has any official, agent, or employee of the Grantee committed bribery or attempted bribery on behalf of the Grantee and pursuant to the direction or authorization of a responsible official of the Grantee.

The Grantee hereby certifies that it has not been barred from bidding on, or receiving State or local government contracts as a result of illegal bid rigging or bid rotating as defined in the Criminal Code of 1961 (720 ILCS 5/33E-3 and 33E-4).

The Grantee certifies that it will comply with all applicable State and Federal laws and regulations.

The Grantee certifies that it will return to the State all State or Federal grant funds that are not expended or are accidentally over-advanced. The State may recapture those funds not expended or accidentally over-advanced in accordance with State and Federal laws and regulations. The Grantee further certifies that its failure to comply with any one of the terms of this Grant Agreement shall be cause for the Grantor to seek recovery of all or part of the grant proceeds.

2005 City of Chicago
Urban Area Security Initiative
Page 6 of 9
The Grantee certifies that it will establish safeguards to prohibit employees, contractors, and subcontractors from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

Under penalties of perjury, I certify that 36-6005820 is my correct Federal Taxpayer Identification Number and that IRS instructions have been provided for proper completion of this certification. I am doing business as a (please check one):

Part VIII - Drug Free Certification

This certification is required by the Drug Free Workplace Act (30 ILCS 580). The Drug Free Workplace Act, effective January 1, 1992, requires that no Grantor or contractor shall receive a grant or be considered for the purposes of being awarded a contract for the procurement of any property or services from the State unless that Grantor or contractor has certified to the State that the Grantor or contractor will provide a drug free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of the contractor or grant and debarment of contracting or grant opportunities with the State for at least one (1) year but not more than five (5) years.

For the purpose of this certification, "Grantor" or "contractor" means a corporation, partnership, or other entity with twenty-five (25) or more employees at the time of issuing the grant, or a department, division, or other unit thereof, directly responsible for the specific performance under a contract or grant of $5,000 or more from the State.

The contractor/Grantor certifies and agrees that it will provide a drug free workplace by:

(a) Publishing a statement:

(1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, including cannabis, is prohibited in the Grantor's or contractor's workplace.

(2) Specifying the actions that will be taken against employees for violations of such
prohibition.

(3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:

(A) abide by the terms of the statement; and

(B) Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

(b) Establishing a drug free awareness program to inform employees about:

(1) the dangers of drug abuse in the workplace;

(2) the Grantor's or contractor's policy of maintaining a drug free workplace;

(3) any available drug counseling, rehabilitation, and employee assistance programs; and

(4) the penalties that may be imposed upon an employee for drug violations.

(c) Providing a copy of the statement required by subparagraph (a) to each employee engaged in the contract or grant and to post the statement in a prominent place in the workplace.

(d) Notifying the contracting or granting Agency within ten (10) days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.

(e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is so convicted, as required by section 5 of the Drug Free Workplace Act.

(f) Assisting employees in selecting a course of action in the event drug counseling, treatment, and rehabilitation is required and indicating that a trained referral team is in place.

(g) Making a good faith effort to continue to maintain a drug free workplace through implementation of the Drug Free Workplace Act.
IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed by their duly authorized representatives.
