Due to special handling requirement, shipment of kiosks may take up to four (4) days. All shipments to Alaska and Hawaii may require extra time. Customer must return faulty units to Q-MATIC Corporation within thirty (30) days. Q-MATIC Corporation will pay for the return shipping cost of the faulty parts/components returned within thirty (30) days, by providing an authorized return label. The Customer is to attach the label to the equipment being returned. Outside of the thirty (30) day return period, the Customer will be billed for the return of said faulty parts/components. We offer unlimited telephone consultation and trouble-shooting during these hours plus pager service for emergencies outside the specified time. When submitting problems or questions to Q-MATIC's technical support team, we ask that the Customer provides company name, site number, contact name, telephone number and e-mail address. This information assists the Q-MATIC technician in providing the high-quality technical support to which our customers are accustomed.

During the term of this Extended Warranty, Q-MATIC Corporation agrees to provide both the labor and the material necessary to repair or replace system parts as necessitated by normal usage. Incidents of damage or loss resulting from misuse or perils such as fire, theft, water damage, lightning acts, earthquakes, damage resulting from improper use, or other events outside the control of Q-MATIC Corporation are not covered. Any damage or malfunction caused by the use of non-Q-MATIC supplies, unauthorized or incompatible parts, components, or modifications to the system will cause this Extended Warranty to be null and void.

Q-MATIC Corporation will be responsible for repairing existing system software should any bugs and/or glitches occur in the software. Operating system upgrades, software upgrades or modifications (see Appendix A) are not included in the Extended Warranty but may be purchased for an additional charge. Q-MATIC must be notified before any changes/upgrades are made to the operating system. Upgrades are: a change of software version, adding additional users and/or adding additional features.

Service provided for incidents not covered by this Extended Warranty will be billed at the rate of $100 per hour (hours billed = hours spent on site plus travel time) and any additional expenses incurred. Service provided for incidents not covered by this Extended Warranty and outside normal business hours will be billed at the rate of $150 per hour, plus any additional expenses incurred. All service repairs performed under this Extended Warranty will be guaranteed for a period of thirty (30) days.
This Extended Warranty shall be offered prior to the expiration date and effective for one (1) year (365 consecutive days). However, either party may terminate this agreement, effective upon the delivery of written notice of such termination to the other party. If the other party becomes insolvent or is generally not paying its debts as such debts come due, then Q-MATIC reserves the right to terminate the agreement. Termination of the agreement must be delivered to the other party no less than sixty (60) days prior to the effective date of such termination. In the event of termination of this agreement, Q-MATIC will continue to make available to the Customer, at the going price rate, parts/components, supplies and other materials to keep the Q-MATIC queuing system operational and functioning.

The price in effect for renewals of your Extended Warranty may not be equal to the preceding year's warranty and may be adjusted to reflect current labor and material costs. By authorizing the purchase of a maintenance agreement, either through a purchase order or a credit card payment, you acknowledge that you have read and agree to be bound by its terms and conditions. You also confirm that the equipment covered by the warranty is presently in use, or could be in use, and is in good working order.

RE: Response to Request for Information to Schedule D  
Q-MATIC Vision Self Service Kiosk

Mr. Jones:

In responding to Schedule D of the Economic Disclosure Statement and Affidavit, Q-MATIC Corporation respectfully requests a “Waiver”. We were unsuccessful in locating a MBE/WBE for the Vision Self Service Kiosk system. The Q-MATIC Vision Self Service Kiosk is a proprietary hardware manufactured by Q-MATIC to compliment the Q-MATIC Customer Flow Management software. (Please see the attached Sole Source letter addressed to Joy Adelizzi).

Q-MATIC Corporation realizes the importance of utilizing and MBE/WBE type of contractor but has not been able to secure one that would best fit City of Chicago’s and Q-MATIC’s interests.

Q-MATIC would take pleasure in the prospect to provide a Q-MATIC Vision Self Service Kiosk solution for the City of Chicago. Attached is our Sole Source letter from our Executive VP of Sales, Edward Miller.

Kind regards,

Brenda McFee
