Re: Non-Competitive Procurement Review Board
April 8th, 2010 Special Meeting

Description: Extension of Dun & Bradstreet Subscription

Requisition No.: 19652
Specification No.: 69962
Requesting Department: DoIT

The Non-Competitive Procurement Review Board has reviewed the submittal from the Department of Information Technology (DoIT) dated March 26th, 2010. After reviewing the attached documentation, this request has been approved to extend the Dun & Bradstreet contract subscription for two additional periods and increase the vendor limit by $102,675.00.

This Non-Competitive Procurement request is to use Dun & Bradstreet tools to match, cleanse and append vendors records in the City’s Oracle database.

The Non-Competitive Procurement Review Board conditionally approved this request 4-0. The Board asked that DoIT: 1) submit a new funding strip, 2) provide a current quote on vendor and letterhead, and 3) a letter from vendor stating that MWBE compliance is not practical. To date, these conditions have not been met.

Re: Sole Source Amendment Request of Dun & Bradstreet

The Department of Innovation and Technology (DoIT) is requesting approval to extend Contract (PO) Number 19652 and Specification Number 69962 for one additional year in accordance with the renewal term of the contract. Under the terms of the agreement the CPO may extend the subscription for two (2) additional periods with the extension to be billed at no more than 5% of the previous annual amount. To that end, the terms of the renewal are as follows:

Under the initial agreement the MBE/WBE clause was waived as it was determined that it was impracticable for direct participation of MBE/WBE vendor usage on this contract as D&B products and services are designed, developed and delivered by internal staff members requiring specific skills. Additionally it is impracticable to use indirect participation because as a global company, D&B contract nationally for goods and services that they require locally.

These services are greatly needed by DoIT at this time. Moreover, we believe that by sourcing certain vendor data (e.g., debarred status, hierarchy information) from D&B the City will be better positioned to gain even more processing improvements with the potential to reduce overall vendor expense.

Any additional questions in this regard should be directed to Al Williamson 742-1547 or Judy Mims at 742-1817. Thank you.

Vendor must maintain records of all Documentation and Deliverables delivered to the City or otherwise prepared under the Agreement for a period of 5 years after the final payment made in connection with this Agreement. Vendor must not dispose of such records during this period without notification of and written approval from the City in accordance with Article 11.

(b) Audits

(i) Vendor and any of Vendor's Subcontractors must furnish the Department with all information that may be requested and is commercially reasonable pertaining to the performance of the Services. Vendor must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) Vendor must maintain its books, records, documents and other evidence and adopt accounting procedures and practices that are commercially reasonable. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iii) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(iv) The City may in its sole discretion audit the records of Vendor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year of the Term is considered an audited period. If, as a result of any such audit, it is determined that Vendor or any of its Subcontractors has overcharged the City in the audited period and the City has over paid the invoice for the Services, the City will notify Vendor. Vendor must then promptly reimburse the City for any amounts the City has paid Vendor due to the overpayments:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Vendor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Vendor must
reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Vendor to reimburse the City in accordance with subsection A or B above is an event of default under Section 9.1 of this Agreement, and Vendor will be liable for all of the City costs of collection, including any court costs and attorneys fees.

ARTICLE 4. DURATION OF AGREEMENT

4.1 Term of Agreement

The term of this Agreement (the "Initial Term") takes effect as of the Effective Date and continues for one (1) year from the Effective Date of this Agreement or until the Agreement is terminated as provided under Section 5.4 or Article 9.

4.2 Timeliness of Performance

(a) Vendor must provide the Services and Deliverables within the time limits required under any task order or request for services pursuant to the provisions of Section 3.1 and Exhibit 1. Further, Vendor acknowledges that TIME IS OF THE ESSENCE and that the failure of Vendor to comply with the required time limits may result in economic or other losses to the City.

(b) Neither Vendor nor Vendor's agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Vendor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

4.3 Agreement Extension Option

The Chief Procurement Officer may at any time before this Agreement expires elect to extend the subscription of this Agreement for two (2) additional periods, each period not to exceed one (1) year each (each, a "Renewal Term") under the same terms and conditions as this original Agreement, by written amendment in accordance with Section 10.3. Additional extensions will be billed at no more than 5% of the previous annual amount as outlined in Exhibit 2.

ARTICLE 5. COMPENSATION

5.1 Basis of Payment
SPECIAL CONDITION REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND
WOMEN BUSINESS ENTERPRISE COMMITMENT
(MBE/WBE Professional Services)

I. Policy and Terms

A. It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and
Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of
Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other
Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum
opportunity to participate fully in the performance of this agreement. Therefore, the contractor shall not
discriminate against any person or business on the basis of race, color, national origin or sex, and shall take
affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete
for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar
value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-
construction contracts to certified WBEs.

B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract
and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.

C. Accordingly, the contractor commits to expend at least the following percentages of the total contract price
(inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and
WBEs:

MBE Contract Goal: 25.0
WBE Contract Goal: 5.0

D. The commitment is met by the contractor's status as an MBE or WBE, or by a joint venture with one or more
certified MBEs or WBEs that will perform work on the project, or by subcontracting a portion of the work to one or
more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more
MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the contractor's business
(but no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's
MBE or WBE commitment with respect to all contracts of such contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago
as both an MBE and WBE shall not be credited more than once against a contractor's MBE or WBE
commitment in the performance of the contract.

E. As noted above, the contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the
provision of goods or services not directly related to the performance of this contract. However, in determining the
manner of MBE/WBE participation, the contractor shall first consider involvement of MBEs/WBEs as joint venture

We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter
2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

[ ] Yes  [ ] No

3. If you checked "Yes" to Item D.1., provide the names and business addresses of the City officials or employees having such interest and identify the nature of such interest:

</tr>
</tbody>
</table>

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.
E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

The Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies from the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves) and has disclosed in this EDS any and all such records to the City. In addition, the Disclosing Party must disclose the names of any and all slaves or slaveholders described in those records. Failure to comply with these disclosure requirements may make the Matter to which this EDS pertains voidable by the City.

Please check either 1. or 2. below. If the Disclosing Party checks 2., the Disclosing Party must disclose below or in an attachment to this EDS all requisite information as set forth in that paragraph 2.

1. The Disclosing Party verifies that (a) the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities for records of investments or profits from slavery, the slave industry, or slaveholder insurance policies, and (b) the Disclosing Party has found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of names of any slaves or slaveholders.

The Disclosing Party verifies that the following constitutes full disclosure of all such records:

A commissioned historian's search of D&B's records found no records of investments or profits from slavery, the slave industry, or slaveholder insurance policies and no records of names of any slaves. However, because D&B's records include credit assessments written on a number of independent businesses (i.e., not affiliated with D&B) located in the antebellum South, and such assessments may include descriptions of real and personal property owned by such independent businesses, including slaves, our archival records do include names of unaffiliated businesses that owned slaves.
