

NOTICE: DPS administers two types of solicitations: ePROCUREMENT and NON-ePROCUREMENT. Check Solicitation Status column for more information.

eProcurement (Electronic) Bids: Available online ONLY, require an online response. Bidders must be registered with the City of Chicago in order to bid. Please visit www.cityofchicago.org/eProcurement. After registering, you may view and respond to eProcurement solicitations at the Current Bid and Solicitation Opportunities Page. Notifications related to the bid specification are automatically sent to respondents to eProcurement Solicitations.

Non-eProcurement Bids: Updated bid specification packages are available for immediate downloading at www.cityofchicago.org/bids.

Small Order Bids: Small order bids are listed here for information only. They are due by the date and time listed, but there are no bid openings for small orders.

Bid-Document Holders (Specification Take-Out List): eProcurement: Viewing or downloading an eProcurement bid after logging into iSupplier will add you to the Specification Take-Out List. **Non- eProcurement:** Contact the Bid & Bond Room at bidandbond@cityofchicago.org, referencing the specification number and a copy of a business card. This entitles the Bidder to receive notices related to the bid specification.

The Bid & Bond Room is located in City Hall 121 N. LaSalle, Room 103. It is closed to the public until further notice as part of an effort to ensure the health and safety of Chicago residents and City employees and to prevent the further spread of the COVID-19 virus. All bid documents are available electronically. Legal advertisements for DPS appear in the Chicago Tribune. Information about DPS contracting opportunities are available at www.chicago.gov/bids.
