# Five Values

- ★ Transparency
- ★ Diversity and Inclusion
- ★ Equity
- ★ Accountability
- ★ Transformation

# Transportation and Infrastructure

- ★ Mobility that Supports All Chicagoans
- ★ Public Selection Criteria and Community Engagement
- ★ Implementation of Major Modernization Programs
  - ★ Reducing traffic congestion in the CBD
- ★ Funding to Support Sustained Investment
- ★ Coordination Between Entities
  - ★ Better sequencing of construction projects

# Chicago as a Global Leader

- ★ All Chicagoans can get to the places they need to be conveniently, safely, and affordably.
- ★ The public is engaged early and meaningfully in planning and design processes.
- ★ Planning and project selection criteria are clear, transparent, and performance-based, and incorporate best principles for disability accessibility, equity, diversity and inclusion, sustainability, design, and public health.
- ★ Job creation and inclusive economic growth are bolstered through the implementation of major upgrade and modernization programs, such as O'Hare and Midway airports, Union Station, Red Ahead, and CREATE.
- ★ City agencies and other government and private entities work more effectively together to improve transportation and infrastructure.
- ★ Our region attracts, develops, and retains a diverse transportation and infrastructure workforce.
- ★ All these efforts are supported by sustained and equitable funding and adequate staffing.
