Re:  Proposed amendments to the Governmental Ethics Ordinance based on Mayoral Executive Order 2011-2

Date:  May 14, 2024

At its meeting yesterday, the members of Board of Ethics, pursuant to Board's power and duty in §§2-156-30(e) and (f) of the Governmental Ethics Ordinance, voted unanimously to formally recommend to the Mayor and City Council that the prohibition on registered lobbyists' political contributions to the Mayor, provided for in Mayoral Executive Order 2011-2 (attached, signed by then-Mayor Rahm Emanuel on May 16, 2011), be codified into law. The proposed amendments are attached. The Board makes this recommendation in light of its dismissal (for lack of jurisdiction) of five (5) cases involving registered lobbyists who contributed to Mayor Johnson in apparent violation of that Executive Order. Such codification would enable the Board of Ethics to enforce the ban with the penalties as set forth in the proposed amendment, and enable the Office of Inspector General to investigate potential violations where appropriate. The Board urges consideration and passage of these proposals.

Kindly note that the proposals expand on the Executive Order in several ways: they provide that any registered lobbyist, or any entity in which a registered lobbyist owns more than 1% that contributes either to the Mayor or the Mayor's authorized political committee, or to any candidate for Mayor to that candidate's committee, be subject to a fine of three times (3x) the amount of the contribution for their first violation, regardless whether the committee returns the contribution or the lobbyist requests such a return, and to suspension of their lobbyist registration for 90 calendar days for all subsequent violations.
