contract us.

If you have any further questions, please do not hesitate to
impose rules stricter than those contained in these Ordinance's
impact of a city agency's (such as city council) may adopt and
situation, and a city agency's laws or rules may apply to your
immediate city's laws or rules. As a change in the facts may alter our conclusions,
the facts presented here are incomplete or incorrect, please;
our conclusions in this case are based solely on the application of
our concerns to a city by the standards of the city's Governmental
branches concerned. We bring this matter to our attention, and your

You are not permitted by this legislation to be interested in it to the same extent that your
contract is a city ordinance, and thus it is strictly governed by the legal provisions of the
and is supported by the city's housing development authority.

The tax credit is that for which you are applying is paid for with federal funds,
authorized by ordinance § 2-156-5.10. The city or its contractor, the city,
architectural design or design that is paid for or which you may apply for the city
contains a clause that a contract cannot have a financial interest in any contract, work, or
afforded to your attention. When an employee or elected
