**Subject:** Gift Accepted - Cookies

Hi Steve,

I am pretty sure this is not required but I wanted to report a gift, just to go the extra mile. I had a visitor from the Tokyo Metropolitan Government this morning, who interviewed me on open data as part of Tokyo's efforts. She gave me a bag of Japanese cookies as a thank you. I have placed them in our offices for other members of DoIT to eat – although I did take the privilege of being the first to eat one. In any regard, I cannot imagine that they are valued anywhere close to \$50 or that I will get other gifts from Tokyo this year.

Thank you.

Jon
