Subject: Chicago Casino Meeting

Hi Steve,

I hope you are doing well. Rhett (CC'd) and I attended an in-person meeting this morning at the Bally's Chicago offices with Bally's and City Colleges to discuss the dealer school related to the Chicago Casino project. Bally's provided some water and some breakfast pastry's. I don't think Rhett or I took any of the water or pastry's but wanted to report anyway just in case.

Best,
Ethan
