**Subject:** FW: Gifts accepted on behalf of the city

Steve,

Various DOB senior staff received the pictured gifts (4 candy bars and 2 tins of popcorn) from an expediter and an employee of a city vendor, which could not be accepted because of DOB's zero gift rule. After being forgotten in a corner of my office for a bit, they have been put out in a common area for enjoyment, pursuant to the gift prohibition provisions of the Ethics Ordinance.

Please let me know if you need additional info.

Thanks,  
Grant
