

Hello Steve,

I have returned from my trip to Taiwan. All expenses were paid by the Republic of China (Taiwan) Government. I attended this trip in my official capacity of Chicago City Councilmen.

Please let me know if you need anything further. Thanks for your assistance.

Dear Alderman Scott:

As Director General of the Taipei Economic and Cultural Office (TECO) in Chicago, which represents the government of the Republic of China (Taiwan) in the U.S. Midwest, I am pleased to inform you that the **U.S. Young Leaders Delegation to the Republic of China (Taiwan)** will take place from **Oct 30 to Nov 5, 2016**. I welcome you to join this delegation and engage in an invaluable opportunity to strengthen relations between the city of Chicago and Taiwan.

The delegation will meet with government officials of both central and local levels, as well as leaders in various industries and businesses in Taiwan. You will also visit the most famous cultural institutions and tourism attractions such as the National Palace Museum, Sun Moon Lake National Scenic Area, and sample local delicacies.

The trip will afford you an opportunity to observe personally the economic developments in Taiwan, gain a deeper understanding of democracy in action by the Taiwanese people, and explore opportunities of exchanges and cooperation between Taiwan and your city. We welcome suggestions regarding the delegation's program to make your visit in Taiwan more productive.

Meanwhile, please don't hesitate to call Deputy Director Erica Lee should you have any questions regarding the trip, at (312) 297-1339 or email her at: [EricaLee@tecochicago.org](mailto:EricaLee@tecochicago.org).

Sincerely,

Calvin Ho  
Director General
