RE: Travel Report for July 19-22, 2016  
Date: July 25, 2016

On behalf of the Chicago Department of Public Health, I recently attended the National Association of City and County Health Officials (NACCHO) Annual Meeting in Phoenix AZ. I presented on a Quality Planning project the Department engaged upon to develop a Chronic Disease unit. NACCHO paid for all expenses related for this travel: air & ground transportation, lodging and meals. I did not accept any honorarium for such travel.
