Hi Reshma,

I received a gift from IL Speaker of the House Michael Madigan and Ald. Marty Quinn from the 13th Ward. It is a decorative snack bowl worth approximately \$24. <https://store.moma.org/for-the-home/kitchen-dining/serving-flatware/la-maison-inond%C3%A9-bowl/v116585.html>. While it is under \$50, I decided I am not going to personally accept the bowl, but I am going to accept it on behalf of CACC, the department. I will leave it on display in our administrative offices for staff to use and enjoy.

Thank you,
