Subject: GIFT RECEIVED

Dear Richard Superfine and Reshma Soni,
on December 19,2019 I received a gift from Michael Madigan (IL Speaker of the House) and Alderman Marty Quinn from the 13th Ward.
The gift has an estimated value of \$24.00 and came inside a single gift bag. It is a decorative snack bowl called "LA MAISON INONDEE BOWL" by MOMA.
I am keeping the gift on behalf of the City of Chicago and to be displayed in the Chicago Animal Care and Control administration conference room for all employees usage.
Best regards.
