**Subject:** 47th Ward - gift donation for public schools breakfast

Hi Rich,

I'm wrapping up a few items before the end of the year and realized I never reported a gift to the City for a breakfast our office hosted for public school principals and Local School Council chairs earlier this year.

The breakfast was donated by Marmalade Restauarant, 1969 W Montrose, and totaled \$310.13. Please see the attached receipt.

Thank you,
