Dear Executive Director Berlin,

Pursuant to Section 2-156-142(d)(8), the Department of Buildings wishes to report the following gifts our department received today from the International Code Council (ICC). The gifts were accepted on behalf of the City of Chicago and will be used for City business purposes and placed in an area of public.

The gifts consist of two framed photos, of undetermined value, of city staff and members of the committee that advised on the drafting of the new Chicago Building Code. The photos were taken at City Hall after the Committee on Zoning, Landmarks and Building Standards meeting on April 9 and the City Council meeting on April 10. Please note that the ICC assisted in the drafting of the new Chicago Building Code and is also a city vendor.

Sincerely,

Matthew W. Beaudet
First Deputy Commissioner

cc: Judith Frydland, Commissioner
