Steve,

I'm writing to notify you that I attended a Blackhawks game in my official capacity at the invitation of Choose Chicago Board Chairman Glenn Eden on October 27, 2019. The seat was in the skybox of Jay Blunk, a Blackhawks executive and Choose Chicago Board member.

- Hockey game (box seats)
- October 27, 2019
- I do not know the cost of a ticket to attend the game in a box
- No friends or family were invited.

Thanks,

Rob
