Subject: Fw: AIA Chicago Design Excellence Awards event Oct. 25

Hi Steve,

I am late (again) in follow-in up on an event I attended on behalf of CPL. I represented the Library at Designight - the AIA's annual Chicago Design Excellence Awards - at Navy Pier on October 25. Our beautiful, new West Loop Library was recognized its for interior design by Skidmore, Owings & Merrill. We have a nice certificate to frame - but most importantly, we have a great library in a previously unserved community!

Thank you,
Andrea.

**Stay tuned for notification of an invitation I received to the opening night of *Dead Man Walking* at the Lyric Opera!
