Subject: MCC 50th anniversary event - invitation

Dear Rich,

As we briefly discussed today, I was invited by the President of the Muslim Community of Chicago (MCC) to their 50th anniversary dinner event on Saturday, September 21, 2019, in Skokie, as a guest of honor in my role as City Comptroller and met the guidelines under the "Reasonable Hosting" provision within the ethics code. I did not receive any gifts.

Please let me know if you need further details.

Thank you.

Sincerely,

Reshma Soni
Comptroller
City of Chicago
Department of Finance
