Subject: Gift of Papa Roach tickets to the 46th Ward

Hi Steve,

We received, on behalf of the City of Chicago, a gift of about 100 tickets from Live Nation/Aragon for the Papa Roach show tomorrow night at the Aragon. We are going to send a notice to residents of the 46th Ward to stop by our office to get these free tickets, on a first come, first served basis.

Please let me know if I need to send you any additional information.

Sincerely,  
Tressa
