Subject: Re: Confidential - RE: Seeking Ethics approval / Feedback

This email is to confirm I did attend the Park Grill event called, "Chefs on the Grill". I was able to network with several chefs and sample bites of prepared food as part of the event. There wasn't any type of swag or goodie bag handed out. I was there for approximately 1.5 hours.

Thank you again for the fast turn around on the approval.

Best,

Neal Heitz
