High Tech Crime Section
Letter of Attendance
Elisabeth Hill
Chicago Police Department
3510 S Michigan Ave
Chicago IL 60653-1020

This letter is to confirm that Elisabeth Hill attended 32 credit hours of instruction in DF201 Intermediate Digital Forensic Analysis: Automated Forensic Tools. The course was delivered by Greg P. Masi and Tonia Wimberley on 8/26/2019 thru 8/29/2019 in Orland Park, IL.

The mission of NW3C is to provide a nationwide support system for agencies involved in the prevention, investigation, and prosecution of economic and high-tech crimes. NW3C also strives to support and partner with other appropriate entities in addressing homeland security initiatives, as they relate to economic and high-tech crimes.

The Computer Crimes Section develops and delivers state-of-the-art cyber crime and computer forensics training. The Computer Crimes Section also provides technical support to NW3C member agencies, law enforcement and the regulatory community.

Information about the services and support we provide to law enforcement agencies can be found here: <http://www.nw3c.org/docs/joinnw3c.pdf> . If your agency is not a member of NW3C, but interested in membership, please visit our

website, <http://www.nw3c.org/membership/apply>, to complete an application. By joining NW3C, your efforts to combat economic and high-tech crime become fortified on a national level. We are a one-stop resource offering benefits and information unavailable anywhere else. From the moment your agency joins NW3C, you will be part of an important network of information and opportunities.
