[Warning: External email]

Hi Steve,

I hope you're doing well! We received a food donation for an event we hosted this past Saturday, flyer attached for your reference. The event was open to the public and anyone in attendance or passing through was able to help themselves to the food (individually wrapped hotdogs for people to grab and go as a COVID safe food option). The overall value of the food donation was approximately \$150.

The donor was RedHot Ranch located at 2449 W Armitage Ave, Chicago, IL 60647. The food was accepted as a gift on behalf of the City and used for this public event.

Please let me know if you have any questions or if further information is needed.

Thanks!

Danny
