Subject: Fwd: Friends & Family

[Warning: External email]

Hi Steve,

This message is to notify you that Laura Reimers and myself have accepted an invitation to new restaurant Parkside's Friends & Family pre-opening night this coming Sunday. Per the owner, "It's gratis as it's a Friend's & Family event in order to allow [the business] to practice service and get comfortable with a live in-person setting."

Best,

Joshua Mark (he/him/his)

Director of Development and Infrastructure
47th Ward Alderman Matt Martin
