**Subject:** Donation of Tchibo Coffee to the Fire Department

Steve,

Please be aware that Tchibo Coffee will be donating approximately 30,000 bags of its coffee to the Chicago Fire Department. The Fire Department plans on accepting this gift for use in the firehouses. Members will be instructed that they are prohibited from taking the coffee home with them. If you have any questions or concerns about this or would like to discuss the matter further, please let me know. Thank you.
