Subject: Re: Confidential - RE: Reporting

Richard,

This is my follow up reporting of my Plumbing Inspectors conference in Naples Fl. on November 1st to the 4th, this was a education conference with Plumbing Inspectors from around the country at LaPlaya golf resort given by the United Association.

I was invited to attend this conference by Plumbers local 130 as the Chief Plumbing Inspector of the city of Chicago CDWM, Plumbers local 130 made all of the registration for me. I paid for my Room and air fare, and food that was not provided by the conference. I was given a Diem check that only covered half the cost of the conference. I did not receive any gifts or special privileges.

Let me know if any additional information is needed.

Thank you

Denis E. Riordan
Chief Plumbing Inspector
City of Chicago Department of Water Management
