Subject: Officer Sal DiFranco and Officer Clifford Martin travel

Good evening Steve,

This is a follow up email for travel to Washington DC. Officer DiFranco and Officer Martin completed their trip to Washington DC for National Police Week.

Their hotel stays were compensated by the FOP Lodge 7 as Goldstar members honoring their fallen family members. Officer Sal DiFranco paid for his airfare and will be reimbursed by IL Concerns of Police Survivors as a first year family member attending National Police Week.

Officer Clifford Martin's airfare was paid for by his mother. He is not seeking any reimbursement, she will be.

Please let me know if you need anything else.

Thank you ,

Officer Cynthia Rivera #16081
