Dear Mr. Superfine and Comptroller Soni,

I received a shipment from Amazon to my attention, today, 8/18/21, containing a gift basket of various chocolates and other food items.

I will accept on behalf of the city and place in our office entry area for anyone who happens to visit our office to enjoy.

I am not completely sure of the value, however it appears to be this, listed at \$49.95:

An included note indicated it was sent by Kristen Ediger on behalf of Humboldt Park Montessori, whom with we have been working on a complicated public way use permit for their school.

Please let me know if you require any more information.

Best regards,
