Subject: 40th Ward gifts 12.15.21

Hi Steve,

I received flowers and chocolates from a florist in the ward. The office received flowers from them as well. I would estimate that the flowers were \$40 each and the box chocolates are \$50. The chocolates are in the front area for anyone to enjoy.

Please let me know if you need additional information and if there is anything else I need to do.

Thank you.
